Subject: Email Ruling Partially Granting Request for Extension of Time to Submit Joint Pre-Hearing Conference Statement

To the Service List of R.25-09-004:

The assigned administrative law judge, via this email ruling, partially grants the request to extend the deadline for the Joint Pre-Hearing Conference Statement to December 11, 2025.

On December 5, 2025, San Diego Gas & Electric Company, Pacific Gas and Electric Company, and Southern California Edison Company (collectively the Joint IOUs), requested an extension of the deadline to submit the Joint Pre-Hearing Conference Statement as directed in the November 21, 2025, *Ruling Setting Pre-Hearing Conference, Requiring a Joint Pre-Hearing Conference Statement, and Requesting Post Pre-Hearing Conference Statements*. Also, on December 5, 2025, Olivine, Inc. and California Large Energy Consumers Association expressed support for the extension request.

The IOUs outlined their efforts to date, the number of parties involved, and the occurrence of the Thanksgiving holiday. Additionally, the IOUs met and conferred with parties involved in the development of the Joint Pre-Hearing Conference Statement regarding this extension request. Pursuant to rule 11.6 and good cause being shown, the extension request to submit the Joint Pre-Hearing Conference Statement is partially granted to the new deadline of December 11, 2025.

It is so ruled.

The Commission's Docket Office shall formally file this ruling.

Subject: R.25-09-004 Demand Response OIR - Request for Extension of Time to Submit Joint Pre-Hearing Conference Statement

This message has originated from an **External Email**. RCerda@sdge.com <rcerda@sdge.com>:

ALJ Gerstle:

Pursuant to CPUC Rule 11.6, on behalf of San Diego Gas & Electric Company, Pacific Gas and Electric Company, and Southern California Edison Company (collectively the Joint IOUs), I write to request a brief extension of time **until Friday, December 12**, for the parties to submit their Joint Pre-Hearing Conference Statement as directed in your November 21, 2025 *Ruling Setting Pre-Hearing Conference, Requiring a Joint Pre-Hearing Conference Statement, and Requesting Post Pre-Hearing Conference Statements*.

The Joint IOUs, together with approximately 20 additional parties to this proceeding, have been working diligently to prepare the Joint Pre-Hearing Conference Statement. The parties have already held two separate meet and confer sessions and continue to collaborate with one another to develop the final submission in advance of the Dec. 16 Pre-Hearing Conference. However, given the Thanksgiving holiday and the number of parties involved, the parties need additional time to prepare, finalize and obtain the necessary approvals for the joint statement. The parties are making every effort to ensure that the joint statement submitted adequately summarizes the parties' respective positions and that the joint statement is useful to Your Honor in facilitating the Pre-Hearing Conference.

The Joint IOUs have met and conferred with the parties actively involved in preparing the Joint Pre-Hearing Conference Statement and no parties opposed the extension request during the meet and confer.

Regards,

Roger A. Cerda
