A2409004

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

In the matter of the Application of  
PACIFICORP (U 901 E) for Authority  
to Recover Costs in the Catastrophic  
Memorandum Account.

Application 24-09-004

**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING JOINT MOTION TO  
ADMIT EVIDENCE INTO THE EVIDENTIARY RECORD AND ORDERING  
PRINTED COPIES OF EXHIBITS**

The Application for this proceeding was filed on the California Public Utilities Commission's (Commission) Docket on September 16, 2024. On August 7, 2025, PacifiCorp, the Public Advocates Office and the Small Business Utility Advocates (collectively, Parties) filed a Joint Motion of to Identify and Admit Exhibits Into the Record (Motion). The Motion is uncontested.

The Motion contains a spreadsheet that identifies the exhibits, sponsor witness, description of the record and a hyperlink to the evidence. The evidence includes responses to data requests, direct and rebuttal testimony and reports by sponsoring witnesses. Having reviewed the Motion, there is good cause to grant the Motion. However, printed copies of the evidentiary exhibits are necessary for the assigned Administrative Law Judge (ALJ) to mark and identify for the Commission's central files.

This Ruling grants the Motion to identify and admit each enumerated item of evidence into the evidentiary record as identified and labeled in the Motion. The Parties are concurrently ordered mail a single complete set of printed,

collated and unmarked exhibits contained in the Motion to the Commission, ALJ Patrick Petersen at 300 Capitol Mall, Suite 400, Sacramento, California, 95814 on or before December 30, 2025.

**IT IS RULED** that:

1. The Motion is granted. All exhibits contained in the Motion are identified, labeled and admitted into the evidentiary record in this proceeding.
2. On or before December 30, 2025, PacifiCorp, the Public Advocates Office and the Small Business Utility Advocates shall mail the ALJ a single complete set of printed, collated and unmarked exhibits contained in the Motion.

Dated: December 8, 2025, at San Francisco, California.
