Subject: R.22-07-005: Email Ruling Denying Hanwha Q CELLS America's Motion for Party Status

To the Service List of R. 22-07-005:

This email ruling denies the motion for party status filed on December 1, 2025, by Hanwha Q CELLS America, Inc (QCells).

Rulemaking (R.)22-07-005 was closed through Decision (D.) 25-08-049. It was reopened through an application for rehearing related to specific issues that were considered in D.25-08-049.

QCells was not engaged in R.22-07-005 before D.25-08-049 was issued.

San Diego Gas & Electric Company (SDG&E) filed an application for rehearing of D.25-08-049. No rehearing of D.25-08-049 has been granted at this time, so there is currently no opportunity for additional party participation or record development in R.22-07-005.

Qcells' request for party status is premature and is denied without prejudice. Should the Commission grant rehearing of D.25-08-049 and reopen the record of R.22-07-005 in the future, QCells may renew its request under the Commission's Rules of Practice and Procedure (Rules) 1.4(b)(2).

If QCells refiles its motion for party status, it should note that its participation in R.22-07-005 would solely be to consider issues raised in SDG&E's application for rehearing of D.25-08-049, pursuant to Rule. 16.2(c).

IT IS RULED:

Hanwha Q CELLS America, Inc.'s December 1, 2025, motion for party status in R.22-07-005 by is denied without prejudice.

The Docket Office shall formally file this email ruling.
