**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA**

Bret Foreman,

Complainant,

vs.

Pacific Gas and Electric Company (U39E),

Defendant.

(ECP) C.25-10-019
(Filed October 30, 2025)

**ANSWER OF PACIFIC GAS AND ELECTRIC COMPANY
(U 39 E) TO COMPLAINT OF BRET FOREMAN**

Pursuant to Rule 4.4 of the California Public Utilities Commission (“Commission”) Rules of Practice and Procedure and the Instructions to Answer issued by Acting Chief Administrative Law Judge Michelle Cook on December 4, 2025, Pacific Gas and Electric Company (“PG&E”) files this Answer to the Complaint filed October 30, 2025, by Bret Foreman (“Mr. Foreman”).

PG&E denies any violation of any applicable law, order, rule, or tariff.

Nonetheless, on December 15, 2025, PG&E agreed to compensate Mr. Foreman for the delay in issuing permission to operate (PTO) for his solar system in an amount that we understand to be acceptable to Mr. Foreman. We understand that Mr. Foreman will move to dismiss the Complaint upon deposit of the settlement funds into his PG&E account, which is expected within the coming days.

If PG&E is mistaken for any reason and Mr. Foreman does not move to dismiss the Complaint, we would seek the opportunity to amend this Answer and provide a substantive response to Mr. Foreman’s allegations.

Respectfully Submitted,

By: /s/ Joe Segura
