Good afternoon Judge Poirier,

I wanted to let you know of a minor error in the Large Power Rate Group Rate Design Settlement Agreement, which was filed on August 25, 2025. On the very last page of the filing (page B-4 of Appendix B), there is a table showing illustrative rates for the TOU-8-E Subtrans rate group. The Total amount in the Summer Customer Charge row should be \$4,951.05 for Current rates and \$8,512.50 for Proposed rates. The correction is shown in the attached PDF. The correct Customer Charge amounts are also reflected in the Distribution columns in the table on page B-4.

Please let me know if you would like us to file the correction in the docket.

Thank you,

Ryan Jerman
