STATEMENT OF WORK

This Statement of Work ("SOW") is issued pursuant to the Consultant and Fee Agreement dated on or around April 18, 2025 (the "Agreement") by and between Small Business Utility Advocates ("Client") and E&E Law Corp. ("Consultant," and collectively with Client, the "Parties"). This SOW relates to the Parties' work in A.24-03-018 (Application of Pacific Gas and Electric Company to Recover in Customer Rates the Costs to Support Extended Operation of Diablo Canyon Power Plant from September 1, 2023 through December 31, 2025 and for Approval of Planned Expenditure of 2025 Volumetric Performance Fees).

The terms of this SOW are binding but it is not intended to amend, modify, or supersede the Agreement. It is intended to confirm the Parties' understanding of how the Agreement applies. The SOW is subject to the terms and conditions of the Agreement, which are incorporated herein by reference.

The Parties agree that Consultant has provided professional services to represent Client as an intervenor in the above-referenced proceeding at the California Public Utilities Commission. The Parties agree that all intervenor compensation awards and hourly market rates remain subject to CPUC approval.

For the avoidance of doubt, and consistent with the Agreement, all consultant fees and costs recovered by Client in this proceeding for work performed by Consultant shall be paid and disbursed in full to E&E Law Corp., which amount excludes any fees or costs attributable to the work of Client's in-house professionals.

All terms and conditions of the Agreement remain unchanged and in full force and effect.
