Leonardus Herps

Chief Executive Officer @ RGTN Corporation B.V. | International Telecommunications

New York, New York, United States

Summary

As the CEO of RGTN Corporation B.V., I lead a multinational telecommunications group specializing in wholesale voice and SMS services. Since 2019, I have guided the company in defining its vision and mission, setting strategic goals, and capitalizing on expansion opportunities while navigating the competitive market landscape. My role emphasizes proactive risk assessment and mitigation to ensure the organization's sustained growth and success.

Previously, as CEO of Redworks B.V., a licensed telecom operator, I spearheaded the transition to IP protocol technologies, broadening our service offerings to small-to-large enterprises and governmental agencies in the Netherlands. With over 20 years of expertise in telecommunications strategy, market analysis, and customer satisfaction, I am committed to enabling innovation, empowering teams, and delivering high-quality solutions that meet industry demands.

Experience

RGTN Corporation B.V.

Chief Executive Officer

October 2019 - Present (5 years 8 months)

Maastricht Area, Netherlands

The RGTN Corporation is an international telecommunications group, specializing in wholesale voice and SMS services. The RGTN Corporation consists of multiple subsidiaries, each focussing on their own specialty. Ranging from national FNO/MVNO networks, to international wholesale voice and SMS Trading.

My responsibilities:

• Leading the development of the company's short- and long-term strategy

• Creating and implementing the company or organization's vision and mission

• Maintaining awareness of the competitive market landscape, expansion opportunities, industry developments, etc.
• Assessing risks to the company and ensuring they are monitored and minimized
• Setting strategic goals and making sure they are measurable and describable

Redworks B.V.
Chief Executive Officer
May 2007 - November 2021 (14 years 7 months)
Maastricht Area, Netherlands

Redworks is a registered and fully licensed telecom operator (both FNO and MVNO) in the Netherlands. We were one of the few to terminate calls over IP protocol (i.e. new technologies) only. We offer fixed and mobile telephony services to small-midsize businesses as well as larger enterprises and governmental institutions in The Netherlands.

My responsibilities:
• Leading the development of the company's short- and long-term strategy
• Creating and implementing the company or organization's vision and mission
• Maintaining awareness of the competitive market landscape, expansion opportunities, industry developments, etc.
• Assessing risks to the company and ensuring they are monitored and minimized
• Setting strategic goals and making sure they are measurable and describable
• Overseeing the design of the fixed network and integration with MNO/MVNE.
• Senior internal adviser for legal matters subject to the Telecommunications Act. (This includes all interconnect contracts)

Vivizi Hosting B.V.
Chief Technology Officer
May 2003 - December 2010 (7 years 8 months)

Vivizi Hosting B.V. is a hosting and solutions provider for customers with special needs.

• General Network Infrastructure (architect)
• Upholding product quality (managerial), keeping customer satisfaction at a high level
• Strategic Business Planning
• Mergers and Acquisitions

• Senior Consultant and Account Manager (high-end customers and larger enterprises)

RAQTweak B.V.
Chief Executive Officer
July 2002 - April 2008 (5 years 10 months)

RAQTweak was a specialized, niche solutions provider for Sun/Cobalt RAQ servers. RAQTweak provided consultancy, support and (custom made) software solutions.

• Strategic Business Planning
• Senior Consultant and Account Manager (high-end customers and larger enterprises)
• Lead Engineer/Architect of Server Appliance Software

Factory 2.0 B.V.
Freelance Technical and Managing Consultant
May 2007 - January 2008 (9 months)

Factory 2.0 provided a wide range of hosting related services and had its own datacenter. I was responsible for a complete overhaul of this branch (Factory also housed a DTP branch). Shortly after, the company was acquired by a larger IT-services provider.

Architect:
• Complete company overhaul: efficiency, productivity, quality control
• Restructuring to expand product range and market share
• Transit / Peering / Fiber connections
• General Network Infrastructure
• General Infrastructure Construction (buildings), cooling units, powersupply's and generators. Fail-over emergency plans.
