**COMPLIANCE FILING OF SOUTHERN CALIFORNIA EDISON COMPANY (U 338-E)
PURSUANT TO ORDERING PARAGRAPH 19 OF D.23-02-002**

I. INTRODUCTION

Pursuant to Ordering Paragraph (OP) 19 of Decision (D.) 23-02-002, Southern California Edison Company (SCE) is hereby providing notice that the third parties in Table 1 below met the necessary requirements and SCE subsequently provided the requested information.

The requirements include:

- A current cyber security review by each investor-owned utility (IOU) supplying confidential information.
- A non-disclosure agreement directly with each IOU supplying confidential information.
- The ability to receive secure data transmissions from the IOU. For some data sharing platforms, this may include the ability to access IOU systems via an application programming interface.
- A current contract for the program, either as the program administrator or as prime or sub-contractor with a statement of work that requires all the confidential data received.

II. DISCUSSION

Table 1 below identifies, for the fourth quarter of 2025, the third parties seeking confidential information, for which program, the date sought, the date the third party was approved to receive the confidential information, and ultimately the date the third party began receiving the confidential information.

Table 1: Data Sharing with Third Parties Pursuant to OP 19 of D.23-02-002

| Ref | Third-Party | Program Name | Date Access Requested | Date Access Approved | Date Requestor Began Receiving Data |
|------------|--|--|------------------------------|-----------------------------|--|
| A | Cohen Ventures dba Energy Solutions Inc. | Industrial Incentive Solutions Program | 10/1/2025 | 10/15/2025 | 10/23/2025 |

Respectfully submitted,
ELENA KILBERG
