Subject: A.25-03-009, Email Ruling Granting Extension of the Submission of
Opening and Reply Briefs

To Parties in A.25-03-009,

On January 7, 2026, Southern California Edison Company (SCE), The Public Advocates Office at the California Public Utilities Commission (Cal Advocates), The Utility Reform Network (TURN), and Small Business Utility Advocates (SBUA) (collectively, Joint Parties) filed a motion to request extending the submission dates for opening briefs and reply briefs by seven business days and four business days, respectively. According to the Joint Parties, the extension is needed to reach consensus on the Common Briefing Outline ordered in the December 17, 2025 email ruling by the assigned Administrative Law Judge.

For good cause shown, the Joint Parties' motion for extension is granted as requested.

IT IS RULED that Opening Briefs are due on January 26, 2026 and Reply Briefs are due on February 20, 2026.

The Docket Office Shall Formally File this Ruling.
