To: California Public Utilities Commission

From: Victor A. Muñiz, Complainant

Subj: Spectrum/Charter Complaint, Overcharges Etc.

The following narrative is submitted to clarify "Item F, Pg. 2 of the Complaint.

1. As a current customer of Spectrum I ordered Internet service from the Defendant. The terms of the service were for them to provide a fixed fee of \$41.24 per month.
2. Complainant ordered the Internet service from Defendant in April of 2025. This was followed in May by ordering WiFi coverage to receive "Closed Captioning" as required by FCC regulations. The additional cost was quoted to be \$10.00 per month. The total bill for services rose from \$137.76 to \$231.02 per month. A difference of \$93.26 not \$51.24.
3. In July, Spectrum was contacted about the so called "Promotion" of \$20.00 listed on their invoice. They informed me that the Promotion would be ended and the rate increased. I advised them that was not the deal when I ordered the services. They refused to change their position on the matter and terminated the call.
4. In August, Complainant received an Invoice for \$261.40. This was followed by a call to Spectrum complaining about the unjustified increase. I had read their procedures and sent Spectrum a check for the undisputed amount of \$231.02 plus a letter dated August 28, 2025 requesting a "Demand for invoice Correction". This was attached to the check.
5. In early September, I received a phone call advising me to "pay the disputed amount or face a service cut off". This was followed by an email (attached). Spectrum refused to acknowledge the correspondence. On September 5, 2025 a check for \$231.02 was sent to Spectrum, less the disputed charges. On November 2, 2025, Spectrum cut off my Telephone, Internet and Video services. I called them on November 3, via

my mobile phone. They told me that the disputed amount of \$60.76 must be paid or services would remain terminated. This was "Blackmail". Therefore, in order to restore my services, I had to pay them with my credit card as payment for the disputed charges. Services were restored that afternoon.

6. The Payment of the Overcharges was followed by a new Invoice sent via Email for \$291.78 for the month of October. It was received without explanation. A payment of \$231.02 was sent to Spectrum on October 29, 2025 with the August 28, 2025 correspondence reattached.
7. All relevant correspondence, invoices and state codes referenced are attached.

## **Attachment B**

The following is in response to Item G, Page 2 of the Complaint.

1. That the CPUC order an independent audit of my account to determine what "Overcharges" have been assessed by Spectrum. The current estimated Overcharges to the Complainant is approximately \$291.78.
2. CPUC to order that the failure of Spectrum to honestly provide the customer with the truth in quoting prices as "Flat Rate" when new services are ordered to discontinue the practice of "Promotional Discounts" in their billings that come included in the new monthly billings.
3. CPUC to order Spectrum/Charter to comply with their own procedures. "What If I Disagree With A Charge?" Defendant must notify customers how and when disputes will be evaluated, assessed, and decided.
4. If the CPUC finds that Spectrum/Charter violated B&P Codes 480(2) and 17508, disciplinary action should be initiated.
5. CPUC to order that the Complainant be compensated for Spectrum/Charter's unethical conduct and expenses resulting from this complaint. This type of conduct must be stopped.

Re: Demand for Invoice Correction  
Account No. 84131660565547

Gentlemen,

I am in receipt of your invoice dated August 15, 2025 for \$261.40. This is a 9% increase over the past billings of \$231.02. There is no justification for this increase. I called your offices for an explanation and was advised that the old pricing was for a "Promotion" program. During the discussion, this statement was verified to be untrue. The conversation became confrontational, and your representative refused to adjust the invoice.

Spectrum is requested to adjust this billing to what has been paid in the past. In order to keep my account current, I have included my payment check of \$231.02. I expect your response in writing. Failure to respond to this request will leave me with no alternative but to seek another carrier for my services and file a complaint with the California Public Utilities Commission.

Sincerely Yours,

  
Victor A. Muñiz

### Bill FAQs

#### How do billing cycles work?

The service period covered by your first bill statement starts on your first day of service and ends on the 30th day of service. Future months' bill statements cover service periods which start and end on the same days of the month as the first service period. Charges associated with Pay-Per-View or On Demand purchases will be included on the next service period's bill statement.

#### What happens if I have insufficient funds or a past due balance?

Spectrum may charge a processing fee for any returned checks and card chargebacks. If your payment method is refused or returned for any reason, we may debit your account for the payment, plus an insufficient funds processing fee as described in your terms of service or video services rate card up to the amount allowable by law and any applicable tax. Your bank account may be debited as early as the same day your payment is refused or returned. If your bank account isn't debited, the return check amount (plus fee) must be paid by cash, cashier's check or money order.

#### What if I disagree with a charge?

If you want to dispute a charge, you have 60 days from the billing due date to file a complaint. While it's being reviewed, your service will remain active as long as you pay the undisputed part of your bill.

#### What if my service is interrupted?

Unless prevented by situations beyond our control, services will be restored within 24 hours of you being notified.

You can find all of our terms and conditions at [Spectrum.com/policies](http://Spectrum.com/policies).
