Subject: A.25-05-009 (PG&E 2027 GRC) E-mail Ruling Granting Motion Shortening the Time to Respond to MGRA's January 9, 2026, Motion to Amend the Schedule

Parties to proceeding A.25-05-009:

The assigned Administrative Law Judges have considered the January 9, 2026, motion of the Mussey Grade Road Alliance (MGRA) for shortening the time to respond to their accompanying motion for extension of the response deadline for opening and rebuttal testimony.

No party opposed this motion for shortening time. PG&E's position is neutral.

Three business days is a reasonable time to respond to said motion. Accordingly, the motion for shortened time is granted. Any response to MGRA's January 9, 2026, motion for the extension of opening and rebuttal testimony deadlines shall be filed by January 14, 2026, by close of business.

It is so ruled.

The docket office shall formally file this ruling.
