Subject: A.22.05-015/016 SEMPRA GRC TRACK 3 E-MAIL RULING
MODIFYING SCHEDULE FOR TRACK 3

Parties to proceeding A.22-05-015 & 016:

The current schedule for the hearing regarding San Diego Gas and Electric Company's (SDG&E's) Track 3 application for recovery of Wildfire Mitigation Plan Memorandum Account (WMPMA) costs was based on the Track 2 decision being approved on December 18, 2025. Instead, the Track 2 decision was approved with modifications on January 15, 2025. The approved decision requires SDG&E to serve supplemental testimony on the drone program and other Asset Management and Inspection (AMI) costs.

More specifically, SDG&E shall serve supplemental testimony providing a breakdown of all AMI costs except circuit ownership on an annual basis for the 2019-2023 period in the following categories:

- Repair costs, including unit costs;
- Inspection costs, including unit costs;
- Other non-repair costs;
- Capital expenditures; and
- O&M expenses.

The active parties had previously requested that the Track 3 hearing be scheduled no earlier than four weeks after the Commission's adoption and issuance of a final decision in Track 2. Pending the Commission's approval of the Track 2 decision, remote Track 3 hearings were reserved for March 4 – March 6, 2026 with a status conference on February 26, 2026. As a result, unless alternative dates are proposed, Track 3 hearings shall commence on March 4 – March 6, 2026 with a status conference on February 26, 2026. The status conference and hearings shall commence each day at 10:00 a.m. For this hearing schedule, the following deadlines apply:

- SDG&E Supplemental testimony shall be served by February 2, 2026.
- Intervenors shall serve responsive testimony by February 12, 2026.
- The parties shall file a joint status conference statement by February 19, 2026.

The parties may propose an alternative schedule for either the March hearing dates or later hearing dates. If the parties propose hearing dates after March 4-6, 2026, hearing dates are not likely to be available until after May 2026.

A separate ruling providing hearing access information and instructions will issue after the SDG&E's supplemental testimony is served.

It is so ruled.

The Commission's Docket Office shall formally file this ruling.
