Subject: RE: C.25-06-027: Holly A. Carlyle and Jeffery A. Burgess (Complainants) vs. Southern California Edison (SCE) – E-MAIL RULING TO ACCEPT LATE FILED RESPONSE

To Parties and Others on the Official Address List:

SCE filed a written Motion to Dismiss Complaint on October 7, 2025. The California Public Utilities Commission's (Commission) Docket Office determined that Complainant's Opposition to SCE's Motion to Dismiss was late filed because Complainant's Opposition to the Motion to Dismiss [assigned Efile Control 224274] was received on October 23, 2025, from Complainants Holly A. Carlyle and Jeffrey Burgess.

The Commission's Rules of Practice and Procedure - Rule 11.1(e) specifies that "**Responses to written Motions** must be filed and served **within 15 days of the date that the motion was served**. Accordingly, Docket Office determined that, pursuant to Rule 11.1, Complainants had until close of business on October 22, 2025, to file their Opposition. The Docket Office, therefore, rejected the Complainant's Opposition to the Motion to Dismiss.

The Assigned Commissioner's Scoping Memo and Ruling dated January 12, 2026, grants an Extension of Time (to January 26, 2026) for Complainants to respond to the Motion to Dismiss. Therefore, the Complainant's Opposition filed October 23, 2025, may now be accepted by the Docket Office.

It Is So Ruled. The Docket Office shall formally file this Ruling.

Subject: C.25-06-027: Holly A. Carlyle and Jeffery A. Burgess, Complainants Response to Edison's Company Motion to Dismiss, received 10/23/2026 [Efile Control 224274]

Good Morning.

I am a Senior Legal Analyst in the Docket Office of the CPUC and I was requested to review your matter with SoCal Edison to determine if all documents tendered for filing had been reviewed & filed or rejected.

I just reviewed The document you tendered for filing was delivered on October 23, 2025, and is entitled: 1 - 2026-01-29T111849.739.pdf

At the present time, we are unable to file said document bec it was received **LATE on October 23, 2025**. Here's the Math:

10-07-2025: Edison filed & served its Motion to Dismiss Complaint. Results.

POSSIBLE REMEDY: As a suggestion, only, you may file a MOTION TO LATE-FILE YOUR RESPONSE TO EDISON'S MOTION TO DISMISS, which should include a factual reason for the delay in filing the Response on time. Said Motion should include a Declaration under Penalty of Perjury as to the salient facts underlying the sequence leading to the delay.

Please copy me on that Motion when it is filed. Thank you.

Best Regards.
