Southern California Gas Company (U904G),
Defendant.

C.24-10-009
(Filed October 11, 2024)

**JOINT STATUS REPORT OF CITY OF ROLLING HILLS AND SOUTHERN
CALIFORNIA GAS COMPANY (U904G)**

Pursuant to the Administrative Law Judge's Ruling Granting Joint Motion to Stay and Taking Evidentiary Hearing Off Calendar, dated October 6, 2025, the City of Rolling Hills (the City or Rolling Hills) and Southern California Gas Company (SoCalGas) (together, the Parties) respectfully submit this Joint Status Report.

As previously reported, SoCalGas tentatively anticipated completing construction on phase two of its reconnection plan by February 27, 2026. However, due to the recent discovery of a fissure necessitating additional pipe replacements within the affected area, SoCalGas now anticipates completing construction by March 13, 2026, weather permitting.

To date, gas service has been restored for three of the affected customers in Rolling Hills. SoCalGas continues with its reconnection efforts and will restore service for those

customers who want gas service restored and whose homes are ready to be reconnected.

Respectfully submitted,

Morgan Van Buren
