**ADMINISTRATIVE LAW JUDGE'S RULING
SETTING PREHEARING CONFERENCE**

This ruling sets a prehearing conference (PHC) in this proceeding for February 27, 2026, commencing at 2:00 p.m. Pacific Time, to determine the scope and schedule for the proceeding. The public Webex information is as follows:

Oral motions for party status will not be entertained during the PHC.

Entities may signal their interest in formal party status by filing a written motion for party status explaining their interest in participating, in accordance with Rule 1.4 of the Commission's Rules of Practice and Procedure. Entities need not have achieved party status prior to the PHC in order to speak at the PHC. Each organization must select one individual to speak on its behalf during the PHC.

Entities are asked to designate the specific individual to me by e-mail at valerie.kao@cpuc.ca.gov, by no later than 5:00 p.m. on February 23, 2026, with the following subject line: "Application 25-12-015: Designated Representative for PHC." The e-mail should contain the name of the representative, how the speaker wishes to be addressed (including preferred pronouns, if desired, and/or correct pronunciation of the name), the speaker's email address and phone number, and the name of the organization being represented.

Because of the virtual/remote format, this PHC will necessarily be formal. Representatives are reminded that the court reporters will need to transcribe the proceedings, and therefore speakers should adhere to the following ground rules:

1. Speak only when addressed by one of the Administrative Law Judge;
2. Identify yourself before speaking and turn on your camera (each time);
3. Speak into your microphone or headset and do not use a speakerphone;
4. Mute yourself when not speaking; you may also turn your camera off;
5. Speak slowly and clearly;
6. Do not interrupt or speak over another speaker;
7. Expect court reporters to interrupt, if necessary, to request clarification of garbled or inaudible statements; and
8. The technical hosts for the PHC will monitor who is speaking and if there is extraneous background noise from non-speakers, they may mute individuals and notify them via the Chat function. Do not take offense at this, it is intended to ensure that the court reporters may prepare a complete and accurate record.

If parties have prepared statements they intend to make during the PHC, please email the statements to the court reporters (reporting@cpuc.ca.gov) one day prior to, or on the morning of, the PHC. Parties desiring expedited transcripts should advise the hearing reporters via email no later than February 20, 2026, by filling in the form included as Attachment A to this ruling. Shortly before the PHC, I will e-mail out to all designated participants the speaker's passcode, the order in which participants will have the opportunity to speak, and an agenda for the PHC. Individuals should attend the PHC prepared to discuss any and all facts and legal issues that are associated with the application that require resolution through the submission of testimony; timing and need for evidentiary hearings (if any); categorization of the proceeding; schedule; and any other issues directly related to the case management of this proceeding. Parties wishing to file PHC statements may do so by no later than February 23, 2026. PHC statements are permitted but not required.

IT IS RULED that:

1. A prehearing conference will be held on Webex beginning at 2:00 p.m. Pacific Time on February 27, 2026, to discuss the scope and schedule of Application 25-12-015. Any interested entities may participate as outlined in this ruling.
2. Organizations wishing to designate a single speaker representative at the prehearing conference shall e-mail the assigned judge by no later than 5:00 p.m. on February 23, 2026, at valerie.kao@cpuc.ca.gov, with the name, title, preferred pronounces and pronunciation (as desired), email, phone number, and organization being represented.
3. Prehearing conference statements may be filed by no later than February 23, 2026.

4. Parties requesting expedited transcripts shall fill out Attachment A and email it to the court reporters at reporting@cpuc.ca.gov by no later than February 20, 2026.

Dated February 4, 2026, at San Francisco, California.
