BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
Crimson California Pipeline L.P.
(PLC-26) for Authority to Withdraw a
Segment of its Seal Beach Pipeline
from Public Utility Service.

Application 25-01-003

**ADMINISTRATIVE LAW JUDGE'S RULING ADMITTING EVIDENCE AND
TAKING MATTER UNDER SUBMISSION**

This ruling admits documents previously filed by Crimson California Pipeline LP (Crimson California) and DCOR LLC (DCOR) as evidence.

On January 13, 2025, Crimson California filed Application 25-01-003, a request for authority to withdraw the southern segment, approximately 5.87 miles in length, of the Seal Beach Pipeline from public utility service.

On February 13, 2025, DCOR filed a timely protest against the application. DCOR filed a motion to withdraw its protest on July 8, 2025, explaining the material facts surrounding the withdrawal of the protest.

On July 29, 2025, the Administrative Law Judge (ALJ) issued a ruling directing filing of additional information, to which Crimson California responded on August 5, 2025.

On September 16, 2025, the ALJ issued a ruling directing filing of additional information, to which Crimson California responded on October 9, 2025.

On November 19, 2025, the ALJ issued a ruling directing filing of additional information, to which Crimson California responded on November 26, 2025.

Crimson California's application and responses, and DCOR's motion to withdraw its protest provide facts upon which the Commission may rely when reaching a decision. As such, that documentation will be considered as part of the evidentiary record of this proceeding. Therefore, the previously filed documents identified in the exhibit list attached to this ruling are marked and received as evidence.

IT IS RULED that the exhibit list attached to this ruling is marked and received into evidence.

Dated February 12, 2026, at San Francisco, California.
