Subject: R.21-06-017: Email Ruling Granting Request for Extension on Comments and Workshop

To the service list of Rulemaking 21-06-017,

This email ruling grants the request of Southern California Edison Company (SCE), Pacific Gas and Electric Company (PG&E), and San Diego Gas and Electric Company (SDG&E) (jointly, the IOUs) sent to the service list of R.21-06-017 on March 31, 2026 seeking an extension of the deadlines set forth in the *Assigned Commissioner's Ruling on Track 1 and Track 2 Distributed Energy Resources (DER) Orchestration* filed March 23, 2026 (March 23 Ruling).

The IOUs' request cited the number of questions presented in the Ruling, along with the complexity of the issues raised, in their belief that additional time is necessary to properly respond and for all stakeholders to review each other's input in preparation for the workshop on the proposed IOU DER orchestration framework application process ordered in the March 23 Ruling.

The request stated that SCE reached out to parties to this proceeding on March 27, 2026, asking whether they support, oppose, or take no position to the request for extension. The request stated that the Public Advocates Office at the California Public Utilities Commission, Environmental Defense Fund, Small Business Utility Advocates, California Solar & Storage Association, Utility Consumers' Action Network, California Community Choice Association, Clean Coalition, Leap, Universal Devices, Advance Energy United, 350 Bay Area, and the Coalition of California Utility Employees supported the extension. The requested stated that Interstate Renewable Energy Council, CALSTART, and Renew Home indicated they had no position on the extension. The requested stated that no parties opposed the extension.

Taking into account the reasons cited in the IOUs' extension request and the response of parties to the extension request, this ruling grants the request. The deadline to file opening comments to the March 23 Ruling is thus extended to April 20, 2026, the deadline to file reply comments to the March 23 Ruling is extended to April 30, 2026, the deadline to submit materials for the workshop on the proposed IOU DER orchestration framework application process is extended to May 8, 2026, and the workshop on the proposed IOU DER orchestration framework application process is rescheduled to May 21, 2026. More content and logistical information about the workshop will be forthcoming.

IT IS SO RULED.

The Docket Office shall formally file this ruling.

Best,

Jack Chang
Administrative Law Judge
California Public Utilities Commission

Subject: [EXTERNAL] R.21-06-017 - Request for Extension on Comments and Workshop

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Administrative Law Judge Chang, Administrative Law Judge Regnier, and Commissioner Houck:

Pursuant to CPUC Rule 11.6, Southern California Edison Company (SCE), Pacific Gas and Electric Company (PG&E), and San Diego Gas and Electric Company (SDG&E) (jointly, the IOUs) respectfully request an extension of the below deadlines, as set forth in the *Assigned Commissioner's Ruling on Track 1 and Track 2 Distributed Energy Resources Orchestration* (Ruling), filed March 23, 2026.

Proposed Extension Dates:

Milestone/Activity	Original Date Set in Ruling	Proposed Extended Date
Opening Comments	4/13/26	4/20/26
Reply Comments	4/20/26	4/30/26
Workshop Materials	4/22/26	5/8/26
Workshop	4/29/26	5/15/26 or thereafter

Given the number of questions presented in the Ruling, along with the complexity of the issues raised, the IOUs believe additional time is necessary to properly respond and for all stakeholders to review each other's input in preparation for the workshop.

Pursuant to Rule 11.6, SCE reached out to parties to this proceeding on March 27, 2026, asking whether they support, oppose, or take no position to the request for extension. The following parties indicated they are in support of the extension: the Public Advocates Office at the California Public Utilities Commission, Environmental Defense Fund, Small Business Utility Advocates (SBUA), California Solar & Storage Association (CALSSA), Utility Consumers' Action Network (UCAN), California Community Choice Association (CalCCA), Clean Coalition, Leap, Universal Devices, Advance Energy United, 350 Bay Area, and the Coalition of California Utility Employees (CUE). The following parties indicated they have no position on the extension: Interstate Renewable Energy Council (IREC), CALSTART, and Renew Home. No parties opposed this extension.

The IOUs do not believe this extension request would prejudice any party and therefore request that the Commission grant this request. Given the impending deadlines, the IOUs respectfully request that the Commission expedite its review and approval of this extension request.

Thank you,

Regards,

Legal Administration
Southern California Edison Company
