Subject: R2106017: Email Ruling Granting Nexamp Motion for Party Status

To the service list of Rulemaking 21-06-017,

This email ruling grants the motion for party status in R.21-06-017 filed by Nexamp Inc. on April 16, 2026. Nexamp stated in its motion that it is a national developer, owner, and operator of distributed solar and energy storage projects and a provider of community solar and other distributed energy solutions. Nexamp stated that it “has a strong interest in ensuring California’s (Distributed Energy Resource) orchestration framework expands grid capacity and supports the cost-effective, reliable deployment of customer and third-party resources.” Nexamp stated that it “plans to comment on how to best support a transparent

DER orchestration framework and will comment on how to develop an open, interoperable framework design that allows independent third parties and aggregators to participate with clear rules for coordination, telemetry, communication protocols, performance standards, and accountability.”

Nexamp is reminded that parties are expected to actively participate in the proceeding.

IT IS SO RULED.

The Docket Office Shall Formally File This Ruling.

Best,

Jack Chang
Administrative Law Judge
California Public Utilities Commission
