**BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF CALIFORNIA**

Application of San Diego Gas & Electric  
Company (U 902 M) for Approval of The  
SDG&E Solar Energy Project.

Application 08-07-017  
(Filed July 11, 2008)

**MOTION OF SAN DIEGO GAS & ELECTRIC COMPANY’S (U 902 M) FOR  
LEAVE TO FILE CONFIDENTIAL MATERIALS UNDER SEAL;  
CONFIDENTIAL MATERIALS ATTACHED AND FILED UNDER SEAL**

Pursuant to Rule 11.4 of the Commission’s Rules of Practice and Procedure and Decisions (“D”) 06-06-066, D.08-04-023 and D.14-10-033, San Diego Gas & Electric Company (“SDG&E”) hereby files this Motion to File Under Seal (“Motion”), and Proposed Ruling, regarding the confidential information in Attachment A – Annual Compliance Report on the Solar Energy Project (“SEP”) program. Specifically, as described in the Declaration of Darren Weim regarding Confidentiality of Certain Data included with this Motion, SDG&E is seeking confidential treatment of the (“Protected Information”) in Attachment A – Annual Compliance Report on the SEP program. As Mr. Weim indicates in his Declaration, Disclosure of this information would be inappropriate because the Protected Information constitutes material, market sensitive, electric procurement-related information.

The material for which SDG&E seeks confidential treatment of the Protected Information falls within the scope of data provided confidential treatment in the IOU Matrix (“Matrix”) attached to the Commission's Decision (“D.”) 06-06-066 (the Phase I Confidentiality decision) and D.14-10-033. The confidential information should be protected as follows:

- the material constitutes a particular type of data listed in the Matrix;
- the confidential information is confidential in accordance with D.14-10-033;
- SDG&E is complying with the limitations on confidentiality specified in the Matrix for that type of data;
- the information is not already public; and
- the confidential information cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure.

For good cause shown and because no party will be prejudiced by the redacted material set forth in the above-referenced Attachment A – Annual Compliance Report on the SEP program, SDG&E respectfully requests that this Motion be granted. SDG&E has attached a Proposed Ruling for the Commission’s use in granting this Motion.

Respectfully submitted,

By: /s/ Walter C. Waidelich

**PROPOSED ORDER**

**BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF CALIFORNIA**

Application of San Diego Gas & Electric  
Company (U 902 M) for Approval of The  
SDG&E Solar Energy Project.

Application 08-07-017  
(Filed July 11, 2008)

**ORDER**

Pursuant to Rule 11.4 of the Rules of Practice and Procedure of the California Public Utilities Commission (the “Commission”) and D.06-06-066, D.08-04-023 and D.14-10-033, San Diego Gas & Electric Company (“SDG&E”) filed a motion on April 23, 2026, requesting authority to file and maintain confidential, commercially sensitive and proprietary information under seal (the “Motion”). The Motion sought confidential treatment of the Protected Information in Attachment A – Annual Compliance Report on the Solar Energy Project (“SEP”) program. In the Declaration of Mr. Weim regarding Confidentiality of Certain Data, he indicates Disclosure of this information would be inappropriate because the Protected Information constitutes material, market sensitive, electric procurement-related information.

The information for which confidential treatment is sought is protected under the IOU Matrix adopted in D.06-06-066 (the “IOU Matrix”) or under D.14-10-033. In addition, the information complies with the limitations on confidentiality specified in the IOU Matrix for that type of data (as applicable) and has not been made public. SDG&E has not publicly disclosed this information. The data cannot be aggregated, redacted, summarized, masked or otherwise protected in a way that allows partial disclosure.

Therefore, it is ordered that:

1. The confidential information contained in Attachment A – Annual Compliance Report on the SEP program, shall remain sealed and is not to be disclosed to anyone other than Commission staff, the Assigned Commissioner, or an ALJ designated to decide this motion;
2. Further proceedings, if any, held with respect to matters contained in the confidential information shall be conducted in a manner the assigned ALJs deem reasonably necessary to protect the confidentiality of the materials described herein;
3. SDG&E has the right to consider and reject requests for access to this material by means of a non-disclosure agreement or other method; and
4. All additional documentary evidence in this proceeding that addresses or relates to the subject matter of the confidential information must be treated in the confidential manner described in paragraphs 1 and 2, above.

---
