Order Instituting Rulemaking to

Distributed Energy Resources Future.

Rulemaking 21-06-017

**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING SIERRA CLUB'S
MOTION TO WITHDRAW AS A PARTY**

This ruling grants the Sierra Club's Motion to Withdraw as a party from Rulemaking (R.) 21-06-017 filed on May 5, 2026. The Sierra Club's Motion states that changed circumstances render it no longer feasible for it to remain a party in this proceeding. Sierra Club also states that it does not believe its withdrawal will prejudice any other party or delay resolution of this proceeding. Sierra Club requests that all members of its staff be removed from the proceeding's service list.

Sierra Club has not filed comments or replies or otherwise actively participated in this proceeding since October 31, 2023, when it filed an opening comment on the Public Advocates Office of the California Public Utilities Commission's Distribution Grid Electrification Model Study and Report. Previous to that date, the Sierra Club joined other parties on August 31, 2022, to file joint comments on the draft Track 2 outreach plan, joined other parties on September 9, 2022, to file joint reply comments on the draft Track 2 outreach plan, and joined other parties May 22, 2023, to file joint comments on an Administrative Law Judge ruling directing responses to questions on Track 1

Phase 1. The Sierra Club also filed comments on July 28, 2023, in response to the Electrification Impact Study Part 1.

In light of the Sierra Club's low participation in the proceeding since October 31, 2023, granting the Sierra Club's motion to withdraw will not prejudice other parties. No parties responded to the Sierra Club's May 5, 2026, motion to withdraw as a party from Rulemaking 21-06-017.

IT IS RULED that:

1. The Sierra Club's Motion to Withdraw as a party from Rulemaking 21-06-017 is granted.
2. All members of Sierra Club staff shall be removed from the service list of Rulemaking 21-06-017.

Dated May 22, 2026, at San Francisco, California.
