AMENDMENT EXPLANATION

Application of VoxSierra LLC for Registration as a Telephone Corporation Pursuant to Public Utilities Code Section 1013

Application No. A.26-03-032

VoxSierra LLC hereby submits this Amended 1013 Registration Application in response to the Communications Division deficiency notice dated April 30, 2026.

The following amendments have been made to the original application:

1. Section 4 of the 1013 Registration Form has been corrected to accurately reflect the services that VoxSierra LLC intends to provide in California. The Applicant has identified its planned operations as non-facilities-based fixed interconnected VoIP service and interexchange service and has removed the previously selected service territory designation.
2. Section 5 of the 1013 Registration Form has been amended to provide a revised estimated service commencement date that accounts for the Commission's review and approval process.
3. Appendix D has been revised to include resumes for all owners and managing members of VoxSierra LLC, including Marco Noia and Heath Brower.
4. Appendix E has been added to provide documentation demonstrating the Applicant's financial capability in accordance with the requirements set forth in Decision 24-11-003, Appendix F. Financial information has been submitted pursuant to the Commission's procedures for presumptively confidential information.

The Applicant respectfully requests that the Commission accept this Amended 1013 Registration Application and continue processing Application A.26-03-032.
