Subject: Email Ruling: Post-PHC Statement Instructions - C.26-03-007

To the Service List of Case 26-03-007:

At the June 8, 2026, Prehearing Conference (PHC), I instructed parties that they may file and serve post-PHC statements by June 15, 2026. This email ruling documents that instruction in writing. Additionally, this email ruling provides the following guidance:

- Any responses to the June 5th procedural email questions shall be new or supplement information compared to what was discussed at the PHC,
- Parties shall avoid legal argument, except as necessary to respond to the June 5th procedural email questions, and
- The page limit for the post-PHC statements shall be 6 pages.

It is so ruled.

The Commission's Docket Office shall formally file this ruling.
