**Subject:** [EXTERNAL] R.25-04-010: Rule 11.6 Extension Request for Comments  
on ETA Staff Proposal

**CAUTION:** This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Dear Administrative Law Judges Fitch and Kao,

Pursuant to Rule 11.6, Clean Energy Alliance ("CEA") respectfully requests an extension of time to submit comments regarding the June 8, 2026, *Administrative Law Judge's Ruling Seeking Comments on Budget Approach for Community Choice Aggregators that Elect to Administer Energy Efficiency Programs*. Pursuant to that Ruling, opening comments are currently due on June 24, 2026, and reply comments are due on July 3, 2026. For the reasons stated below, CEA is seeking a one-week extension for both comment deadlines, which would place the deadline for opening comments on July 1, 2026 and the deadline for reply comments on July 10, 2026.

Reasons necessitating an extension:

The Elect-to-Administer ("ETA") budget calculation is complex, and CEA is actively collecting the data it needs to thoroughly evaluate the effect of the proposed changes on its ability to pursue an ETA portfolio. With a modest extension, CEA anticipates that it, and other interested parties, will be able to provide more detailed analysis in response to the questions set forth in the Ruling.

Pursuant to Rule 11.6, on June 17, 2026, CEA made a good faith effort to ask parties if they support, oppose, or have no position regarding the extension. CEA received the following responses:

- Bay Area Regional Energy Network: does not oppose.
- Peninsula Clean Energy Authority: supports.
- CalChoice: supports.
- Marin Clean Energy: does not oppose.
- Sierra Club: takes no position.

Thank you for your consideration of this motion for an extension of time.

Respectfully,

--
