EVALUATORS' REPORT**

I. INTRODUCTION

Pursuant to Ordering Paragraph (OP) 5c of Decision (D.) 18-01-004, and guidance from the Energy Division (ED), San Diego Gas & Electric Company (SDG&E) respectfully submits this notice to the California Public Utilities Commission (CPUC) regarding the Semi-Annual Independent Evaluator Report (Report), for the reporting period of October 2025 – March 2026.

SDG&E had no active solicitations during the aforementioned period. As noted in the previous filing, pursuant to ED guidance, and to promote administrative efficiency, the June 2025 Report included the reporting period from October 2024 through March 2025, because SDG&E's final EE program solicitations were completed in April and May 2025.¹

Respectfully submitted,
