**MOTION OF PACIFIC GAS AND ELECTRIC COMPANY (U 39 E) FOR
LEAVE TO FILE ITS CONFIDENTIAL APPLICATION REGARDING
YEAR 30 (2022-2023) OF ITS CORE PROCUREMENT INCENTIVE MECHANISM**

Pursuant to Rules 11.1 and 11.4 of the California Public Utilities Commission (CPUC or Commission) Rules of Practice and Procedure and General Order 66-D, as well as Decision (D.) 24-10-030,¹ issued October 23, 2024, Pacific Gas and Electric Company (PG&E) respectfully submits this motion for leave to file its confidential Application regarding Year 30 (2022-2023) of its Core Procurement Incentive Mechanism (Application) and associated attachments under seal (Motion).

The material PG&E seeks to protect is the confidential, unredacted version of the Core Procurement Incentive Mechanism Year 30 Annual Report (CPIM Year 30 Report), Attachment A to the Application. PG&E concurrently files the public versions of the Application and CPIM Year 30 Report with this Motion.

The CPIM Year 30 Report contain confidential information that, to the best of PG&E's knowledge, has not been publicly disclosed. The basis for designating the CPIM Year 30 Report as confidential is that the information constitutes protected market sensitive/competitive data. This request is consistent with the Commission's treatment of confidential customer information that is required to be protected, and commercially-sensitive market information that, if publicly

released, could be harmful to PG&E or a third-party's business interests.² The confidential information is contained in Appendix A to the CPIM Year 30 Report and the basis for confidential treatment is identified in the Declaration Supporting Confidential Designation on Behalf of Pacific Gas and Electric Company (Confidentiality Declaration), included as Attachment A to this Motion. PG&E will securely upload the confidential CPIM Year 30 Report to the Commission.

For the reasons stated above and in Attachment A, PG&E's Motion requests leave under sections 583 of the Public Utilities Code and Commission General Order No. 66-D. Additionally, as required by Rule 11.4(a), attached is a proposed ruling granting this Motion as Attachment B.

Respectfully Submitted,

BENJAMIN C. ELLIS
