MOTION FOR PARTY STATUS OF KAREN S. WOOD AND ROBERT S. WOOD, JR.

I. Introduction

Karen S. Wood and Robert S. Wood, Jr., (together “Movants”), respectfully move for party status in this proceeding in accordance with Section 1.4 of the California Public Utilities Commission (“Commission”) Rules of Practice and Procedures.

II. Interest in this Proceeding

Movants are SDG&E electric utility customers who pay SDG&E rates and will bear the direct physical, safety, financial, and aesthetic impacts of the Project's proposed approximately 11 miles of overhead 230 kV double-circuit transmission lines supported by approximately 67 tubular steel poles running through their communities.

Movants are also local beekeepers operating an apiary located at 19509 Japatul Road, Alpine, CA 91901. Movants’ managed bee colonies are directly adjacent to the proposed project corridor, with the new project easement passing within 100 feet of active beehives. As such, Movants have a direct, localized interest in the environmental, biological, and physical impacts of the proposed 230kV transmission line infrastructure.

III. Notice

Service of notices, orders, and other correspondence in this proceeding should be direct to Movants at the address set forth below:
