**MOTION FOR PARTY STATUS OF FRIENDS OF LOVELAND RESERVOIR**

**I. Introduction**

Friends of Loveland Reservoir (“FOLR”), respectfully move for party status in this proceeding in accordance with Section 1.4 of the California Public Utilities Commission (“Commission”) Rules of Practice and Procedures.

**II. Interest in this Proceeding**

FOLR is a registered 501(c)(3) non-profit organization dedicated to preserving public access, environmental health, and recreational opportunities at Loveland Reservoir. Its members include local hikers, environmental stewards, and recreational and sustenance fishermen who rely heavily on the reservoir’s natural resources for food and well-being. Because the proposed Project directly threatens to eliminate virtually all public access to these public lands and waters for a multi-year duration, Friends of Loveland Reservoir has a direct and substantial interest in this proceeding.

**III. Notice**

Service of notices, orders, and other correspondence in this proceeding should be direct to FOLR at the address set forth below:

E-mail: [friendsoflovelandreservoir@gmail.com](mailto:friendsoflovelandreservoir@gmail.com)

#### **IV. Conclusion**

FOLR's participation will not prejudice any party and will not delay the schedule or broaden the scope of the issues in this proceeding. For the reasons stated above, Friends of Loveland Reservoir respectfully requests that the CPUC grant this Motion for Party Status filing.
