BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of MISWITCH
Communications for Registration to
operate as a non-facilities based Fixed
Interconnected VOIP Telephone
Corporation within the service
territories of uniform regulatory
framework carriers pursuant to Public
Utilities Code Section 1013.

Application 26-06-018

NOTICE OF ASSIGNMENT TO SIMPLIFIED REGISTRATION PROCESS

Application 26-06-018 was filed pursuant to Public Utilities Code (Pub. Util. Code) Section 1013, through a simplified registration process administered by the Commission's Communications Division.¹

While this proceeding is under review by the Communications Division, all inquiries by Communications Division staff shall be made informally by voice or e-mail, as directed by the Communications Division staff, and the Commission's Rules of Practice and Procedure are suspended.

The following actions will remove the application from the simplified registration process:

- A protest is filed to the Application;

¹ Pub. Util. Code Section 1013; Decision (D.) 97-06-107; D.97-08-050; D.10-09-017; D.11-09-026; and D.14-11-004.

- A determination is made by the Communications Division that the Application does not qualify for the simplified registration process; or
- Any action is taken by the applicant or another interested person which requires resolution through the formal application process, including but not limited to filed motions.

If the Commission determines that a reassignment is necessary, the Application will be removed from the simplified registration process and evaluated through the formal application process as a request for a Certificate of Public Convenience and Necessity (CPCN) pursuant to Pub. Util. Code Section 1001.²

Date: July 3, 2026, at San Francisco, California.
