Explain fully and clearly the details of your complaint. (Attach additional pages if necessary and any supporting documentation)

I have filed both an informal complaint and an informal appeal (Exhibit A - Case 730428). The reason given why both complaints were denied is as follows: "Southern California Edison Company investigated and reported o the CAB are for the period of 3/11/2023 through 08/31/2023. Records indicate that you accepted the charges for the billing period, and billing was processed accordingly. The Customer Service Department emailed you their findings on 5/21/2026." This is a business account and the account number is 700832713823. There are two service accounts: 8016397962 (2850 W. Foothill Blvd. Suite 202 Rialto, CA 92376 - The address and service account of the disputed charges) and 8019927173 (2364 Del Rosa Ave, Unit B San Bernardino CA 92404 - my current location). I received Edison's bill dated 3/4/2026 (Exhibit B) indicating I owed \$2,300.42 and of this amount \$2,194.27 for the period of 3/11/2023 - 8/31/2023 (Exhibit C - Service Account 8016397962). Fearing the power would be turned off for my current location, I paid the bill. I never accepted the charges as purported. Paying a bill to avoid having the power turned off is not accepting the charges. I was on the account (service account 8016397962) on 9/1/2023 (Exhibit D). (See Additional Page.)

Scoping Memo Information (Rule 4.2[a])

(1) The proposed category for the Complaint is (check one):

- ☒ adjudicatory (most complaints are adjudicatory unless they challenge the reasonableness of rates)
☐ ratesetting (check this box if your complaint challenges the reasonableness of rates pursuant to Rule 4.1(b))

(2) Are hearings needed (are there facts in dispute)? ☒ YES ☐ NO

(3) ☒ Regular Complaint ☐ Expedited Complaint (Rule 4.6)

(4) The issues to be considered are

(Example: The utility should refund the overbilled amount of \$78.00):

The utility needs to refund \$2,194.27 for the charges 3/11/2026 - 8/31/2026 since I was not on the account and have NEVER accepted the charges.

File Number 730428 (Formal Complaint 6/16/2026)

Additional Page:

I received an email from Edison (Exhibit E) and it stated the following:

"After reviewing your concerns about the billing statement generated on March 4, 2026, I wanted to clarify that the charges on your bill correspond to the service period from March 11, 2023, through August 31, 2023. Our investigation found that these charges were applied because a request was made for you to accept responsibility for service during the specified dates, and the billing was processed accordingly."

I am not sure how "a request was made for you to accept responsibility for service during the specific dates" can result in \$2,194.27 in charges be transferred to me prior to when I was on the account. Who made the request? Who was on the account prior to 9/1/2023? Can Edison act as judge and jury and just assign charges as desired with no due process? If the requestor thinks the charges were mine, why didn't the requestor first request I pay them? Is this not a private matter? Did the requestor make the payment initially? Did Edison refund the requestor? What proof does Edison have that the charges are mine?

I have absolutely NO idea what evidence the informal complaint reviewer(s) looked at. The case needs to be reviewed de novo. Neither Edison nor CPUC has provided any support that the charges are mine.

(5) The proposed schedule for resolving the complaint within 12 months (if categorized as adjudicatory) or 18 months (if categorized as ratesetting) is as follows:

Prehearing Conference: Approximately 30 to 40 days from the date of filing of the Complaint.

Hearing: Approximately 50 to 70 days from the date of filing of the Complaint.

Prehearing Conference (Example: 6/1/09): 7/17/2026

Hearing (Example: 7/1/09): 8/7/2026

Explain here if you propose a schedule different from the above guidelines.

Wherefore, complainant(s) request(s) an order: State clearly the exact relief desired. (Attach additional pages if necessary)

The utility needs to refund \$2,194.27 for the charges 3/11/2026 - 8/31/2026 since I was not on the account.
