 - a. Applicant is directed to explain in more detail what the following sentence means (application at 4): *"Applicant to post additional collateral on top of which it has already paid \$1,150,000 in the form of letters to credit to satisfy its insurance requirements."*
 - i. Applicant is directed to clarify whether this "additional collateral" is in addition to the surety bond Applicant provided consistent with the Federal Motor Carrier Safety Administration's (FMCSA) decision authorizing self-insurance; and
 - ii. Applicant is directed to clarify whether this additional collateral is related to Applicant's self-insurance or its commercial insurance policy.
 - b. How will the Applicant replenish the \$500,000 self-insurance if/when they are required to pay out a claim for bodily harm and/or property damage?
5. Applicant is directed to confirm if it has activated its FMCSA self-insurance authority. Please provide confirmation of

activation and the date, or state whether activation remains pending.

6. Applicant is directed to confirm if its requested self-insurance authority (and the \$500,000 SIR) applies uniformly across its entire fleet including vehicles subject to the \$750,000 and \$1,500,000 minimums under subsection (1) of Commission General Order 115-G.
