Subject: [EXTERNAL] Procedural Email Requesting Deadline Extension -- Application 24-03-018

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good afternoon Judge Atamturk,

On July 8 the Commission issued 13 PDs for the Green Power Institute's 13 oldest pending IComp claims. One of the PDs is in A.24-03-018 under your name. Parties have only 20 days to comment on PDs, and commenting on 13 PDs simultaneously in 20 days is beyond challenging.

I respectfully request that you approve a three-week extension of the due date to comment on this PD until August 18, which by my calculation would make the PD eligible to appear on the Sept. 3 Commission meeting agenda. I am making the same request of all 13 of the PDs issued on July 8 in the hope that some or all will respond positively. I have already begun working on the many comments, and hope to submit them well before Aug. 18, but I would greatly appreciate the requested extension be granted in order to allow me to submit clear and thoughtful comments in answer to each PD.

In any case, would you please notify me promptly if you cannot grant my request. That would be appreciated.

Thank you in advance for your consideration,

Gregg Morris
