Subject: RE: [EXTERNAL] Procedural Email Requesting Deadline Extension -- P.23-06-018

To Gregg Morris:

This is a procedural email in response to your July 10, 2026, request for additional time to file opening comments on the proposed decision in P.23-06-018, as mailed on July 8, 2026.

You, representing Green Power Institute (GPI), noted that 12 other proposed decisions related to other GPI intervenor compensation claims were mailed on July 8, 2026. You requested an extension to August 18, 2026, to file opening comment on the proposed decision in P.23-06-018.

I find it reasonable to grant GPI with additional time to respond to the proposed decision in P.23-06-018 but decline to accept its proposal seeking an additional three weeks.

I grant GPI until August 14, 2026, to file opening comments on the proposed decision in P.23-06-018.

Reply comments on the proposed decision in P.23-06-018 are due on August 19, 2026 (five days after opening comments).

This schedule will allow time for the Commission to review all opening and reply comments in time for the proposed decision to be considered at the September 3, 2026, voting meeting.

Pursuant to Rule 11.6 of the Commission's Rules of Practice and Procedure, GPI must note that its request for an extension of time to respond to the proposed decision was granted via an email dated July 15, 2026, from the assigned Administrative Law Judge, in the first paragraph of its opening comments regarding the proposed decision in P.23-06-018.

It is so ruled. The Docket Office shall formally file this ruling.

Subject: [EXTERNAL] Procedural Email Requesting Deadline Extension -- P.23-06-018

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good afternoon Judge Cai,

On July 8 the Commission issued 13 PDs for the Green Power Institute's 13 oldest pending IComp claims. One of the PDs is in P.23-06-018 under your name. Parties have only 20 days to comment on PDs, and commenting on 13 PDs simultaneously in 20 days is beyond challenging.

I respectfully request that you approve a three-week extension of the due date to comment on this PD until August 18, which by my calculation would make the PD eligible to appear on the Sept. 3 Commission meeting agenda. I am making the same request of all 13 of the PDs issued on July 8 in the hope that some or all will respond positively. I have already begun working on the many comments, and hope to submit them well before Aug. 18, but I would greatly appreciate the requested extension be granted in order to allow me to submit clear and thoughtful comments in answer to each PD.

In any case, would you please notify me promptly if you cannot grant my request. That would be appreciated.

Thank you in advance for your consideration,

Gregg Morris
