C2602011

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Isabella Barreiro,

Complainant,

vs.

SOUTHERN CALIFORNIA EDISON
COMPANY (U-338E),

Defendant.

Case (C.) 26-02-011

**ADMINISTRATIVE LAW JUDGE'S RULING
DIRECTING FILING OF INFORMATION FROM DEFENDANT AND
ADMITTING EVIDENCE**

Within 7 days of this ruling, the Southern California Edison Company (the Defendant) shall file and serve a table showing each past due billing amount, the month the amount was incurred, and the associated customer with the billing amount for electrical service at 1100 S. Buena Vista Ave., Corona, CA 92882 (the Residence). The Defendant is also directed to file and serve a table showing any payments that have been made toward the identified past due balance and when those payments were made.

This ruling admits exhibits as evidence.

1. Background

On February 13, 2026, Isabella Barreiro (Complainant) filed Case 26-02-011 alleging that the Defendant has overbilled her. The Defendant applied its tariff rules and determined that the Complainant should be responsible for past due bills that began accruing at the Residence in January 2022. The Complainant

argues that she should not be responsible for these past due bills and that she did not begin occupancy of the Residence until November 28, 2023. The Defendant served, but did not file, its exhibits on July 8, 2026. An evidentiary hearing was held on July 15, 2026, where both parties were given opportunity to provide testimony and present evidence. At the hearing, the Defendant made an oral motion that its exhibits be admitted as evidence.

2. Direction to File Information

The Defendant is directed to file and serve a table listing:

- The amount of each past-due bill that is subject to this proceeding (i.e., the billing periods that include January 2022 through November 28, 2023);
- The dates for which those charges were incurred (i.e., the dates of the billing period associated with the past due amount); and...
- The name of the customer associated with each specific bill.

The Defendant shall file and serve a table listing:

- Any payments that have been previously paid toward the above identified past-due balances; and...
- The dates of each of those payments.

The Defendant shall file and serve the tables no later than 7 days after the issuance of this ruling.

3. Admission of Evidence

During the Evidentiary Hearing, held July 15, 2026, the Defendant orally moved that its exhibits be admitted as evidence. The Complainant did not object to the motion to admit evidence at the hearing but may do so in writing within 10 calendar days of this ruling.

The Defendant included the complaint filed with the Commission as exhibit SCE-09. Exhibit SCE-09 is already included in the proceeding record and, therefore, is not added to the evidentiary record of the proceeding.

Within 7 days of this ruling, the Defendant shall e-file exhibits SCE-01, SCE-03, SCE-05, and SCE-08 with the Commission's e-file system.

The exhibits are identified, marked, and admitted to the evidentiary record, as listed in the attached table (Attachment 1).

IT IS RULED:

1. The Defendant shall file and serve the above-described tables within 7 calendar days of this ruling.
2. The Defendant shall e-file exhibits previously served as SCE-01, SCE-03, SCE-05, and SCE-08 with the Commission's e-file system.
3. The exhibit list attached to this ruling is marked and the exhibits are received into evidence.

Dated July 22, 2026, at San Francisco, California.
