**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of LS Power Grid  
California, LLC (U-247-E) for a  
Certificate of Public Convenience and  
Necessity Authorizing Construction of  
the Collinsville 500/230 kV Substation  
Project.

Application 24-07-018

**ADMINISTRATIVE LAW JUDGE'S RULING GRANTING MOTION TO ACCEPT  
LATE FILING OF CALIFORNIA FOREVER**

In a Motion filed on July 13, 2026, California Forever, LP (CAF) requested acceptance of a late filing of CAF's Opening Brief in this proceeding. CAF states that its Opening Brief was served on all parties on Friday, July 10, 2026, at 5:06 pm. CAF states a computer issue froze counsel's Microsoft Word program for approximately 10 minutes starting at 4:45 pm that day, and that counsel finalized and served the Opening Brief six minutes after the applicable deadline, and then filed the Opening Brief using the Commission's e-filing system shortly thereafter.

Given the short delay and CAF's diligence to address it quickly I believe CAF has provided good cause to grant the motion to accept the late filing of its Opening Brief. Accordingly, the Motion to Accept Late Filing of California Forever, LP's Opening Brief is GRANTED.

**IT IS SO RULED.**

Dated July 20, 2026, at San Francisco, California.
