Application of PacifiCorp (U901E) to
Continue its Energy Efficiency
Programs, the Surcharge to Fund
Public Purpose Programs, and Bridge
Funding for Program Year 2027.

Application 25-09-016

**ASSIGNED COMMISSIONER'S RULING REVISING
PROCEEDING SCHEDULE**

On July 28, 2026, the Public Advocates Office at the Public Utilities Commission and PacifiCorp d/b/a Pacific Power (collectively, the Parties) filed a joint motion providing notice that the Parties are engaged in substantial discussions over a possible settlement. The joint motion requests to amend the proceeding schedule to provide for a final date for the Parties to file a motion proposing a settlement agreement, to provide for comments and reply comments to the settlement motion,¹ and to defer the final date to file reply briefs to ten (10) days after a Commission determination on the proposed settlement agreement.

This ruling partially grants the Parties' July 28, 2026 motion. The proceeding schedule is amended as follows:

¹ Rules of Practice and Procedure (Rules), Rule 12.2.

Date	Item
August 21, 2026	Final date to file joint settlement motion
September 21, 2026	Final date to file comments to joint settlement motion
September 28, 2026	Final date to file reply comments to joint settlement motion

As amended by this ruling, the proceeding schedule poses a risk to resolving this proceeding by the end of this year. Further, as the July 28, 2026 motion acknowledges, the proposed settlement agreement would be an all-party agreement. Therefore, it is reasonable to provide a shorter period for comments and reply comments to the settlement agreement than those specified in Rule 12.2 of the Commission's Rules of Practice and Procedure. The Parties are reminded that they may file comments and reply comments to the joint settlement earlier than the above final dates, and they may also waive their right to file comments to the joint settlement.

IT IS RULED that:

1. The proceeding schedule is amended as set forth above.

Dated August 7, 2026, at Sacramento, California.
