**Subject:** A.25-04-014: Email ruling granting Motion of San Diego Gas & Electric Company for Leave to File a Sur-Reply

Dear parties to A.25-04-014 (San Diego Gas & Electric Company (SDG&E) application to withdraw from administering regional energy efficiency programs):

On August 5, 2026, SDG&E filed a Motion for Leave to File a Sur-Reply to Respond to Reply Briefs (Motion for Sur-Reply). SDG&E also filed a concurrent Motion to Shorten Response Time, seeking to have the Commission require other parties to respond to the Motion for Sur-Reply by no later than August 10, 2026.

In its Motion for Sur-Reply, SDG&E represents that several parties raised new arguments in Reply Briefs on the topic of how SDG&E should be required to plan for and execute a transition period prior to withdrawing from regional portfolio administration. SDG&E argues that these are new arguments to which SDG&E has not had a chance to respond. SDG&E also argues that the record is robust enough without these new arguments of other parties, and therefore the Commission should disregard the new arguments.

In order to ensure a complete record and give SDG&E a reasonable opportunity to respond to the arguments about portfolio transition, this ruling grants SDG&E's Motion for Sur-Reply. The arguments of other parties in Reply Briefs will therefore not be disregarded. SDG&E shall file and serve its Sur-Reply by no later than August 14, 2026. The record will stand as submitted and be closed with the filing of SDG&E's Sur-Reply. No further filings are invited or expected from any other parties.

With the granting of the Motion for Sur-Reply in this ruling, the Motion to Shorten Response Time is effectively moot, and is therefore denied.

**IT IS RULED that:**

- The August 5, 2026 Motion of San Diego Gas & Electric Company for Leave to File a Sur-Reply to Respond to Reply Briefs is granted.
- San Diego Gas & Electric Company shall file and serve its Sur-Reply to the Reply Briefs by no later than August 14, 2026.

- The August 5, 2026 Motion of San Diego Gas & Electric Company to Shorten Response Time is denied as moot.
- The record in this proceeding will stand as submitted with the filing of the San Diego Gas & Electric Company Sur-Reply to Reply Briefs.

**The Docket Office shall formally file this ruling.**

Best regards,

**Julie A. Fitch**
