Application of Avalon Freight Services LLC (VCC-91) For Authorization to Modify Rates for Its Scheduled Vessel Common Carrier Freight Service Between the Port of Los Angeles, California on the one hand, and Avalon on Santa Catalina Island on the other hand.

Application 25-12-001

**ADMINISTRATIVE LAW JUDGE'S RULING REQUESTING AFFILIATE TRANSACTION INFORMATION**

As a condition of its Certificate of Public Convenience and Necessity (CPCN), Decision 16-02-024 requires Avalon Freight Services (AFS) to report transactions of its affiliates whenever AFS seeks a rate increase. The CPCN decision also requires AFS to identify costs charged by the Santa Catalina Island Company and to demonstrate the reasonableness of those costs. The decision requires AFS to make a "full and detailed showing to allow this Commission to make a determination of what constitutes reasonable costs."<sup>1</sup>

The Administrative Law Judge requires this submittal in order to complete the proposed decision in the instant application. This ruling requires AFS to file the required information within 10 business days of the filing of this ruling.
