BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of MCC Telephony of the West, LLC dba Mediacom Communications Corp. (U-7017-C) and Catherine Commisso, Giuseppe (Joseph) B. Commisso, and Italia Commisso Weinand for Approval of Indirect Involuntary Transfer of Control Resulting from the Death of Rocco B. Commisso Pursuant to California Public Utilities Code Section 854(a)	Application 26-__-___

APPLICATION FOR APPROVAL OF INDIRECT INVOLUNTARY TRANSFER OF CONTROL

(PUBLIC VERSION)

Pursuant to Section 854(a) of the Public Utilities Code and Article 2 and Rule 3.6 of the California Public Utilities Commission's ("Commission") Rules of Practice and Procedure ("Rules"), MCC Telephony of the West, LLC dba Mediacom Communications Corp. (U-7017-C) ("MCC") and Catherine Commisso, Giuseppe (Joseph) B. Commisso and Italia Commisso Weinand (collectively, "Applicants"), hereby submit this Application to request approval of an indirect involuntary transfer of control of MCC resulting from the death of Rocco B. Commisso ("R. Commisso") on January 16, 2026.

R. Commisso passed away on January 16, 2026 and upon his death, R. Commisso's 79.55% ownership interest in and control of JMCC Corporation, which holds 100% indirect equity interest in MCC, was transferred to his widow, Catherine Commisso, his son, Giuseppe ("Joseph") Commisso, and his sister, Italia Commisso-Weinand (together, "Transferees"). This Application seeks the Commission's authorization for the passing of indirect control of MCC through inheritance.

I. AUTHORITY AND DESCRIPTION OF AUTHORIZATION SOUGHT (RULE 2.1)

This Application is submitted pursuant to Section 854(a) of the California Public Utilities Code. Section 854(a) requires prior authorization from the Commission before consummating a transaction that results in the merger, acquisition, or a direct or indirect change in control of a public utility. This Application seeks post-hoc approval for an *involuntary* transfer of control that occurred as the result of the death of the controlling indirect owner of a telephone corporation. Although the transfer has already occurred, this Application is timely filed since, as the Commission has recognized, *prior* approval is impossible in such circumstances.[1]

II. ISSUES TO BE CONSIDERED, CATEGORIZATION AND PROPOSED SCHEDULE (RULE 2.1(C))

Through this Application, the Commission is asked to consider whether the transfer of indirect control of MCC from R. Commisso to the Transferees is adverse to the public interest. Because this proceeding is neither adjudicatory nor quasi-legislative, Applicants propose that the Commission categorize this Application as a rate-setting proceeding, consistent with the Commission Rules and other transfer of control proceedings.[2] Applicants submit that material issues of contested fact are not likely to arise, and as such, there is no need for hearings in this proceeding. In cases of involuntary transfers of involving rights of inheritance and testamentary

disposition, the Commission views its role as a straightforward "ministerial" one.[3] Thus, Applicants respectfully propose the following procedural schedule:

Application Filing Date	August 11, 2026
Protests and Responses	30 Days after Notice in Daily Calendar
Reply to Protests	10 Days after Protests, if any
Prehearing Conference	45 Days after Application Filing Date[4]
Scoping Memo Issued	10 Days after Prehearing Conference
Proposed Decision Issued	75 Days after Application Filing Date
Commission Final Decision	85 Days after Application Filing Date[5]

III. DESCRIPTION OF THE APPLICANTS AND LICENSEE'S SERVICES (RULES 2.1(A), 3.6(A))

A. Transferor and Transferees

Prior to his passing, R. Commisso, the Transferor in this involuntary transfer, owned and controlled 79.55% of JMCC Corporation, the ultimate parent corporation of MCC. After his death, controlling interest of JMCC is held by the Transferees, Catherine Commisso, Joseph Commisso, and Italia Commisso-Weinand. The business address for the Transferees is One Mediacom Way, Mediacom Park, NY 10918. Their business telephone number is (845) 419-6395.

[3] *See* D.00-10-016 at 3-4. ("As we see it, absent evidence that any given devolution results in or creates a situation inconsistent with or adverse to the public interest, our role should be a ministerial one in passing to and affording the beneficiary substantially the same rights and privileges as were held by the predecessor.").

[4] This aspect of the proposed schedule is consistent with the Commission's amendment to Rule 7.2, which calls for a prehearing conference "between 45 and 60 days after the initiation of the proceeding or as soon as practicable after the Commission makes the assignment." *See* Res. ALJ-381 at 8-9.

[5] Rule 14.6(c)(2) allows the Commission to waive the period for public review and comment on proposed decisions in the event that a matter is uncontested and where the decision grants the relief requested. Assuming no protests are filed and the decision grants the relief requested, Applicants request that the Commission waive the period for public comment and process this Application to accommodate the proposed schedule.

B. Licensee

MCC (U-7017-C) is a certificated provider of competitive local intraLATA and intrastate interLATA telecommunications services in California using both VoIP and traditional landline technology. The Commission granted MCC its certificate of public convenience and necessity ("CPCN") in D.07-03-006.[6]

IV. DESCRIPTION OF THE PROPOSED TRANSACTION (RULE 3.6(B)-(D) AND (F))

At issue in this Application is an indirect involuntary transfer of control of MCC resulting from the death of Rocco B. Commisso on January 16, 2026 (the "Transaction").

Prior to his death, R. Commisso held ultimate ownership and control of the entities that indirectly control MCC through Article I of the Rocco B. Commisso 2025 Revocable Trust Agreement ("Article I Trust"), in which R. Commisso was the sole trustee.[7] Specifically the Article 1 Trust holds a 79.55% equity ownership interest in JMCC Corporation, the ultimate parent corporation of MCC.

Upon his death on January 16, 2026, R. Commisso ceased to be the trustee of the Article I Trust, and Catherine Commisso, Joseph Commisso, and Italia Commisso-Weinand became the trustees of the Article I Trust. Once Mr. Commisso's estate is administered, the 79.55% direct ownership interests in JMCC Corporation will be transferred to a trust for the benefit of Catherine

---

[6] D.07-08-024. MCC's affiliate, Mediacom Wireless LLC, is also a registered reseller of commercial mobile radio service ("CMRS") under utility i.d. no. U-4594-C. MCC Wireless will separately submit an information-only filing notifying the Commission involuntary transfer of control as it relates to its CMRS registration. *See* Transfers of Ownership or Control Section IV. Transfer of Commercial Mobile Radio Service Provider available at https://www.cpuc.ca.gov/industries-and-topics/internet-and-phone/transfers-of-ownership-or-control. Another MCC affiliate, Mediacom Communications, also holds a Digital Infrastructure and Video Competition Act ("DIVCA") franchise (Franchise No. 33) and will notify the Commission of this transfer as it impacts its DIVCA franchise as well. *See* General Order ("G.O.") 169, § VI(F)(1).

[7] On December 5, 2025, Mr. Commisso transferred his 79.55% direct ownership in and control of JMCC Corporation to the Article I Trust. Mr. Commisso was the sole trustee of the Article I Trust, and thus maintained ownership and control of JMCC Corporation.

Commisso during her lifetime ("Marital Trust"), with the same three trustees. Catherine Commisso and Joseph Commisso currently hold the voting rights in JMCC Corporation, and they will continue to do so upon the creation of the Marital Trust. In the event of a tie vote, Italia Commisso-Weinand will serve as the tiebreaker. Accordingly, the licensee, MCC, is now ultimately controlled by Catherine Commisso, Joseph Commisso, and Italia Commisso-Weinand. See **Exhibit A** for simplified Before and After Organization Charts focusing on MCC.

The transfer occurred solely by operation of estate and trust instruments and does not involve any transfer of MCC's assets, operations, or customers. MCC will continue to provide telecommunications services in California under the same operating structure, with Joseph Commisso succeeding his father as Chairman and Chief Executive Officer ("CEO"). [8]

V. STATE OF FORMATION, FORMATION DOCUMENTS, QUALIFICATION TO DO BUSINESS (RULES 2.1(A) & 2.2)

Transferees are private individuals, not corporate entities; as such, they have no corporate formation or qualification to do business documentation. MCC's Formation Documents and Certificate of Good Standing are provided hereto in **Exhibit B**.

MCC is managed by an experienced management team which will continue to manage and operate the company under the leadership of the successor CEO, Joseph Commisso. Biographies of the key officers are provided in **Exhibit C**.

VI. FINANCIAL STATEMENTS (RULE 3.6(E) & (G), RULE 2.3)

The Commission's Rules require that a company that intends to acquire control of a certificated company must either have an equivalent certificate or demonstrate that it meets the

[8] *See Mediacom Communications Appoints Chief Executive Officer*, MEDIACOM (Feb. 6, 2026), https://mediacomcable.com/news/mediacom-communications-appoints-chief-executive-officer.

requirements to obtain such a certificate.[9] Because this Application involves an indirect transfer of MCC through inheritance, there is no acquiring company for which to show financial adequacy. To demonstrate that MCC is in good financial standing, Applicants have provided (i) MCC's operational and financial report for Calendar Year 2025 in **Confidential Exhibit D**, as well as (ii) the 2025 financials of its parent corporation, Mediacom Holdings LLC, in **Confidential Exhibit E**.

VIII. CALIFORNIA ENVIRONMENTAL QUALITY ACT COMPLIANCE (RULE 2.4)

The California Environmental Quality Act ("CEQA") applies only to "projects," which are defined as any "activity which may cause either a direct physical change in the environment, or a reasonably foreseeable indirect physical change in the environment."[10] In contrast, CEQA does

---

[9] *See, e.g., Joint Application of GetGo Commc'ns LLC,* D.17-05-008 at 7 ("Documentation must indicate that the entity to whom control is transferred, meets the requirements for issuance of a CPCN.").

[10] *See* Cal. Pub. Res. Code § 21065.

not apply where the "activity will not result in a direct or reasonably foreseeable indirect physical change in the environment."[11] The CEQA Guidelines provide for an exemption "[w]here it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment."[12]

The Commission has concluded on numerous occasions that a proposed transaction which simply involves the transfer of equity interests does not require CEQA review because, in such circumstances, no authority for new construction is requested and thus there is no possibility that granting the application would have an adverse effect on the environment.[13] Likewise, in the present application, the Transaction does not involve a request to construct or transfer any physical facilities, but rather involves only a change of indirect control over MCC through the involuntary transfer of equity interests from R. Commisso to his wife, son, and sister. Thus, there is no possibility that the Transaction will have an adverse impact on the environment. Accordingly, pursuant to Rule 2.4, Applicants request that the Commission decide that the involuntary transfer of control is not a project within the meaning of CEQA, California Public Resources Code, Section 21000, *et seq.*

IX. CERTIFICATIONS

A. Certification Required under D.13-05-035

Pursuant to D.13-05-035, Ordering Paragraph 14, applicants seeking or transferring a CPCN must disclose any regulatory fines, penalties, or sanctions they have received and any past bankruptcies as part of establishing the qualifications of management staff. It is unclear whether the verification requirement in D.13-05-035 applies to an involuntary transfer in which the change in control occurred by operation of laws governing succession. However out of an abundance of caution, Applicants provide D.13-05-035 certifications for licensee MCC and Transferees in their status as controlling co-owners, directors and, as applicable, officers, of MCC and other for-profit organizations (together, the "Certificating Parties").

The Certificating Parties affirm that to the best of their knowledge, they have not over the last ten years: (a) held one of these positions with a company that filed for bankruptcy; (b) has been personally found liable, or held one of these positions with a company that has been found liable for fraud, dishonesty, failure to disclose, or misrepresentations to consumers or others; (c) has been convicted of a felony; (d) has been (to his/her knowledge) the subject of a criminal referral by judge or public agency; (e) had a telecommunications license or operating authority denied, suspended, revoked, or limited in any jurisdiction; (f) personally entered into a settlement, or held one of these positions with a company that has entered into settlement of criminal or civil claims involving violations of Sections 17000, et seq., 17200, et seq., or 17500, et seq., of the California Business & Professions Code, or of any other statute, regulation, or decisional law relating to fraud, dishonesty, failure to disclose, or misrepresentations to consumers or others; (g) has been found to have violated any statute, law, or rule pertaining to public utilities or other regulated industries; or (h) entered into any settlement agreements or made any voluntary payments or agreed to any other type of monetary forfeitures in resolution of any action by any regulatory body, agency, or attorney general.

Moreover, to the best of the Transferees' knowledge, Certificating Parties have not over the last ten years been investigated by the Federal Communications Commission or any law enforcement or regulatory agency for failure to comply with any law, rule or order.[14]

B. Environmental and Social Justice Impacts

In February 2019, the Commission adopted an Environmental and Social Justice ("ESJ") Action Plan to consider whether actions by public utilities may have disproportionate impacts upon certain communities within the state.[15] In April 2022, the Commission updated its ESJ Action Plan with new goals and objectives aimed toward mitigating and eliminating harms to ESJ communities through equity-minded administration of Commission programs.[16] ESJ communities include those which may be subject to a disproportionate impact from one or more environmental hazards, or that are likely to experience disparate implementation of environmental regulations and socioeconomic investments in their communities. With respect to these communities, the Commission is tasked to consider whether the proposed action aligns with the nine discrete goals of the ESJ Action Plan, which, in relevant part, include safety, consumer protection and expanding access to high-quality communications service.

[14] *See Order Instituting Rulemaking to Revise the Certification Process*, D.13-05-035, Ordering Paragraph 14.

[15] *See Environmental and Social Justice Action Plan*, Version 1.0 (Feb. 21, 2019), *available at* https://www.cpuc.ca.gov/-/media/cpuc-website/divisions/news-and-outreach/documents/news-office/key-issues/esj/environmental-and-social-justice.pdf.

[16] *See Environmental and Social Justice Action Plan*, Version 2.0 (Apr. 7, 2022), *available at* https://www.cpuc.ca.gov/-/media/cpuc-website/divisions/news-and-outreach/documents/news-office/key-issues/esj/esj-action-plan-v2jw.pdf.

The involuntary transfer has not and will not affect any MCC operations. As noted elsewhere in this Application, the Transaction will be entirely seamless to consumers, including those in ESJ communities, will have no impact on programs serving consumers in disadvantaged communities, will impose no burden on ESJ communities, and will have no adverse safety impact.

X. PUBLIC INTEREST STATEMENT

The Transaction is not adverse to the public interest because it will not alter the day-to-day management of MCC or any other aspect of its corporate organization other than changing the ultimate controlling parties who are family members of the now-deceased, prior controlling party. The Transaction will not disrupt any customer-facing operations or MCC's day-to-day operations, which will continue to be managed by the same officers and directors, under the leadership of Joseph Commisso, who succeeded his father. Further, the Transaction will not result in any changes to MCC's service offerings, rates, and quality of service. By promoting the stability of the utility's ownership and oversight pursuant to the terms of the Article I Trust and Marital Trust, the authority requested in this Application will advance the public interest.

XI. CUSTOMER NOTIFICATION

The involuntary transfer of control will be seamless to customers. Customers will continue to be served by MCC, and Applicants do not expect to change MCC's current rates/price lists, terms and conditions of service, or customer contracts in connection with the transfer. Thus, no customer notification is required.

CONCLUSION

Applicants respectfully request the Commission approve the involuntary transfer of control of MCC from R. Commisso to Catherine Commisso, Joseph Commisso, and Italia Commisso-Weinand, based on its finding that this transfer is not adverse to the public interest. This Application meets all Commission requirements under Public Utilities Code Section 854(a); demonstrates that following the involuntary transfer, MCC, the licensee, will continue to meet the technical expertise requirements for CPCNs; and aligns with the Commission's ESJ Action Plan. The Commission has regularly approved similar involuntary transfers of control and should do so here.

BIOGRAPHIES OF KEY OFFICERS

Biographies of Key Officers

Giuseppe B. Commisso—Chairman and Chief Executive Officer
Giuseppe B. Commisso has been with Mediacom Communications for almost two decades, in roles of increasing responsibility, including most recently as Vice Chairman and Interim Chief Executive Officer. This appointment follows the death of Rocco B. Commisso, Mediacom Communications Founder, Chairman and Chief Executive Officer.

In addition to his involvement at Mediacom, Giuseppe B. Commisso serves as President of ACF Fiorentina, a Florence-based soccer club playing in the first division Serie A league in Italy, as well as a member of its Board of Directors. He earned his Bachelor of Science in Civil Engineering from Columbia University and participated in Harvard Business School's Cable Executive Management Program sponsored by the CTAM Educational Foundation.

Toni Murphy—Executive Vice President, Operations[1]
Toni Murphy has more than 20 years of experience leading large-scale operations in the telecom industry. Most recently, she served as Chief Operating Officer and Executive Vice President at Astound Broadband, where she led business and residential customer-facing teams across 13 states, covering customer care, technical operations, construction, network, sales, marketing, product, and retail. Prior to Astound, Murphy held several senior leadership roles at Comcast, including Chief Marketing Officer and Senior Vice President of Sales and Marketing for the Central Division, and Senior Vice President of the Keystone Region.

Murphy is a graduate of Princeton University and The WICT Network's Betsy Magness Leadership Institute. She sits on the boards of Eat N Park Hospitality Group, WICT and NCTC (National Cable Television Cooperative). She has also been recognized as a Cablefax Power Player and as one of the Most Powerful Women in Cable.

Italia Commisso Weinand—Executive Vice President, Programming & Human Resources
Italia Commisso Weinand has five decades of experience in the cable industry and has served as Mediacom's Executive Vice President, Programming and Human Resources since May 2012. Prior to that time, she was Mediacom's Senior Vice President, Programming and Human Resources since February 1998 and Mediacom's Vice President, Operations since April 1996. Before joining MCC, Ms. Weinand served as General Manager of Comcast Corporation's largest cable systems in New Jersey and, prior to that time, held various management positions with Manhattan Cable (Time, Inc.), Times Mirror Cable and Tele-Communications, Inc., earning her entry as a "Cable TV Pioneer."

For the past fifteen consecutive years, she has been named among the "Most Powerful Women in Cable" by CableFax Magazine and presently serves on the Board of The Cable Center (Syndeo Institute), the Emma Bowen Foundation Board and CTAM
