ADMINISTRATIVE LAW JUDGE'S RULING AMENDING THE SCHEDULE

On June 16, 2026, Commissioner Douglas issued a scoping memo and ruling in this proceeding. Among other things, the scoping memo required that the parties submit a Joint Case Management Statement, due August 28, 2026, and briefs in September and October, 2026. The scoping memo also delegated authority to the undersigned Administrative Law Judge (ALJ) to modify the schedule as needed to promote an efficient and fair resolution of the application.

The parties submitted the Joint Case Management Statement on August 26, 2026. In it, they state that after further review and discussion, motions, evidentiary hearings, and further briefing are not required. They request that the matter be submitted immediately for decision based upon the existing record.

Granting the requested schedule change will promote an efficient and fair resolution of the application.

IT IS RULED that:

1. The schedule is modified to eliminate the requirement that parties file opening and closing briefing.
2. The proceeding stands submitted upon the issuance of this ruling.

Dated September 2, 2026, at San Francisco, California.
