**MOTION OF BEAR VALLEY ELECTRIC SERVICE, INC. (U 913-E) TO LATE FILE
ITS 2021-2024 FINAL RENEWABLES PORTFOLIO STANDARD
COMPLIANCE REPORT**

Pursuant to Article 11 of the California Public Utilities Commission (“Commission”) Rules of Practice and Procedure, Bear Valley Electric Service, Inc. (“BVES”) hereby moves to late file its 2021-2024 Final Renewables Portfolio Standard (“RPS”) Compliance Report. In accordance with the July 23, 2026 email from the Commission’s Energy Division outlining requirements for submission of the 2021-2024 Final RPS Compliance Reports, on August 19, 2024, BVES served its 2021-2024 Final RPS Compliance Report on the service list to the instant proceeding, Rulemaking (“R.”) 24-01-017, and submitted its 2021-2024 Final RPS Compliance Report to Energy Division through the RPS Database portal. Due to a clerical oversight, BVES did not file its 2021-2024 Final RPS Compliance report with the Commission’s Docket Office. Upon learning of this oversight, BVES is now filing its 2021-2024 Final RPS Compliance Report along with this motion. Given that BVES submitted and served its 2021-2024 Final RPS Compliance Report prior to the August 24, 2026 deadline, granting this motion and allowing BVES to late file its 2021-2024 Final RPS Compliance Report will not prejudice other parties.

Accordingly, BVES requests that this motion be granted and that BVES be allowed to late file its 2021-2024 Final RPS Compliance Report.

Dated: August 28, 2026

Respectfully submitted,

/s/ Jedediah J. Gibson
