Subject: RE: A.22-05-015/016 Sempra 2024 GRC Track 3 Amended Email Ruling Setting an In-person Oral Argument on October 5, 2026, at 1 p.m.

A.22-05-015/016 Sempra 2024 GRC Track 3 **Amended** Email Ruling Setting an In-person oral argument on October 5, 2026, at 1 p.m.

Parties to proceeding A.22-05-015/016:

On November 3, 2025, The Protect Our Communities Foundation (PCF) filed a motion for oral argument in Track 3 of this proceeding. Pursuant to Rule 13.14 of the California Public Utilities Commission (Commission) Rules of Practice and Procedure (Rules), this motion was timely because it was made no later than the time for filing opening briefs. Accordingly, this motion is granted.

The September 3, 2026 ruling setting a Track 3 October 5, 2026 oral argument is scheduled to address both:

- 1) Southern California Gas Company and SDG&E's request for the recovery of Pipeline Safety Enhanced Program (PSEP) costs that were scoped into Track 3 by D.24-12-074; and**
- 2) SDG&E's request for the recovery of relevant costs recorded to SDG&E's Wildfire Mitigation Plan Memorandum Account, which has a pending motion for settlement.**

Party Participation

Party status is required to participate in the oral argument for which a party must be present in-person. A quorum of Commissioners and their advisors may be present, but no decisions will be made at this oral argument.

Parties that intend to present oral argument must inform James Donovan at James.Donovan@cpuc.ca.gov and Melissa Wang at Melissa.Wang@cpuc.ca.gov by September 29, by providing their name and the party (or parties) represented. Parties must also inform James Donovan if their presentation includes a written document (see below) and attach that document. Additional information is requested below.

Date and Time

This ruling sets an in-person oral argument for this proceeding on October 5, 2026, at 1 p.m.

Location

Commission Headquarters Auditorium located at 505 Van Ness Avenue, San Francisco, CA 94102.

Public Access Information for Remote Observation for Non-parties

The Webex link and telephone numbers (with passcode) to watch and listen only for non-parties are as follows:

Procedure and Format

1. Start Time – 1:00 p.m.
2. Each party will be allocated no more than 10 minutes for an initial statement. Parties shall provide their requested time allotment in their request to participate. After parties give initial statements, all parties will be given an opportunity, limited to 5 minutes, to respond to any issues raised in initial statements. Time allotments may be compressed based on the number of parties seeking to make statements. To the extent that shared positions provide opportunities for parties to present joint statements, this is encouraged for efficiency.
3. San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) will be the first parties allowed to provide a statement.
4. The ALJ will determine the order of presentation for the remaining parties.
5. All matters relevant to this proceeding are appropriate topics for addressing. Parties are requested to address the Proposed Decision.
6. **Parties may use a written document (see above #2) limited to five pages. PowerPoints will not be used. These documents will not be part of the record. Parties shall provide the service list with these written documents as an attachment by October 1, 2026.**
7. The oral argument will be transcribed and made available publicly following the oral argument. Please direct questions regarding written transcripts to the Commission's Chief Hearing Reporter via email at reporting@cpuc.ca.gov.
8. Reasonable accommodations must be requested by 5 p.m. on September 29, 2026, by emailing the Commission's Proceeding Analysts, James Donovan at James.Donovan@cpuc.ca.gov and Melissa Wang at Melissa.Wang@cpuc.ca.gov.

It is so ruled.

The docket office shall formally file this ruling.

Parties must also inform James Donovan if their presentation includes a written document and attach that document.

Procedure and Format

1. Start Time – 1:00 p.m.
2. Each party will be allocated no more than 10 minutes for an initial statement. Parties shall provide their requested time allotment in their request to participate. After parties give initial statements, all parties will be given an opportunity, limited to 5 minutes, to respond to any issues raised in initial statements. Time allotments may be compressed based on the number of parties seeking to make statements. To the extent that shared positions provide opportunities for parties to present joint statements, this is encouraged for efficiency.
3. San Diego Gas & Electric Company (SDG&E) and Southern California Gas Company (SoCalGas) will be the first parties to provide a statement.
4. The ALJ will determine the order of presentation for the remaining parties.
5. All matters relevant to this proceeding are appropriate topics for addressing. Parties are requested to address the Proposed Decision.
6. Parties may use a written document (see above #2) limited to five pages. PowerPoints will not be used. These documents will not be part of the record. Parties shall provide the service list with these written documents as an attachment by October 1, 2026.
7. The oral argument will be transcribed and made available publicly following the oral argument. Please direct questions regarding written transcripts to the Commission's Chief Hearing Reporter via email at reporting@cpuc.ca.gov.
8. Reasonable accommodations must be requested by 5 p.m. on September 29, 2026, by emailing the Commission's Proceeding Analysts, James Donovan at James.Donovan@cpuc.ca.gov and Melissa Wang at Melissa.Wang@cpuc.ca.gov.

The Commission's Docket Office shall formally file this ruling.

It is so ruled.
