Subject: Email Ruling: Removal of Evidentiary Hearings from Schedule. - A.26-05-006

To the Service List of Application 26-05-006:

On September 15, 2026, Southern California Edison Company filed and served a joint case management statement (JCMS) on behalf of itself and other parties in this proceeding. The JCMS at page 2 stated: “[t]he Parties agree that there is no need for evidentiary hearings in this proceeding.” Given the parties’ position on evidentiary hearings, I am removing the evidentiary hearing dates announced in the July 22, 2026, scoping memo from the schedule of this proceeding.

It is so ruled.

The Commission’s Docket Office shall formally file this ruling.
