Subject: A.26-01-003 et al., IQP Applications Proceeding; ALJ Ruling Granting
Party Status to the California Emerging Technology Fund

This Administrative Law Judge (ALJ) Ruling grants the attached
Motion for Party Status submitted by the California Emerging Technology Fund
(CETF) submitted on September 4, 2026.

Commission Rules of Practice and Procedure, Rule 1.4(b)(1) and (2), require
that a person seeking party status fully disclose the person or entities on whose
behalf the motion is made, the interest of such persons in the proceeding, and the
pertinent factual and legal contentions that the person intends to make. On
September 4, 2026, CETF filed a motion requesting party status in Applications
26-01-003, et al. (Motion). In the Motion, CETF states that is a non-profit
statewide organization that works on policy matters involving broadband
infrastructure and adoption, including advocacy for affordable broadband for
low-income households. CETF states that has interest in continuing its
agreements with the applicant investor-owned utilities regarding informational
campaigns related to the California LifeLine program and affordable broadband
plans. CETF's motion for party status is therefore granted.

The Commission's Docket Office shall formally file this ruling.
It is so ruled.
