SECTION 5 – SERVICE START DATE CLARIFICATION

All3IT, INC. (“Applicant”) began providing limited services to a small number of customers beginning March 1, 2026. Upon further review of applicable California regulatory requirements, Applicant is submitting this registration under Public Utilities Code Section 1013 to ensure full compliance on a going-forward basis.

ATTACHMENT A
DESCRIPTION OF SERVICE AND REGULATORY STATUS

All 3 IT, INC.

California Public Utilities Commission
Application for Registration Pursuant to Public Utilities Code § 1013

1. Description of Service to be Offered

All 3 IT, Inc. (“Applicant”) provides interconnected Voice over Internet Protocol (“VoIP”) services to business customers in California on a non-facilities-based resale basis. The Applicant’s services allow end users to originate and receive voice communications to and from the public switched telephone network (“PSTN”) using broadband internet connectivity.

The Applicant does not own, operate, or control any telecommunications transmission facilities, switching equipment, or network infrastructure used to provide these services. The Applicant utilizes a white-label platform arrangement with an underlying telecommunications provider that supplies the underlying network capabilities necessary for service delivery, including call routing, switching, transport, PSTN interconnection, numbering resources, E911 functionality, and number portability.

The Applicant manages the customer relationship, including marketing, customer acquisition, billing administration, customer service, account administration, and configuration of voice service features. The Applicant does not directly provide or control the underlying telecommunications network functions used to deliver the service.

The Applicant commenced offering interconnected VoIP services in March 2026 to a limited number of business customers, including customers located in California. The Applicant is seeking registration with the California Public Utilities Commission to ensure its California operations are conducted in compliance with applicable state regulatory requirements.

The Applicant intends to continue providing voice-only interconnected VoIP services to small and medium-sized business customers, including inbound and outbound calling, direct inward dialing, voicemail, and related voice communication features, in accordance with applicable federal and state requirements.

2. Non-Facilities-Based Operations

The Applicant operates as a non-facilities-based reseller and does not own, operate, or control any telecommunications facilities or infrastructure. The Applicant relies on its underlying telecommunications provider(s) for all network functionality, including switching, routing, PSTN interconnection, E911 functionality, and number portability.

The Applicant does not hold itself out as a facilities-based carrier and does not provide telecommunications services through its own network infrastructure.

3. Regulatory Compliance

The Applicant will comply with all applicable federal and state laws and regulations governing the provision of interconnected VoIP services, including applicable consumer protection requirements and regulatory obligations.

The Applicant is committed to complying with all applicable rules and requirements of the California Public Utilities Commission.

4. Sworn Verification

I, Mark V Pay, declare under penalty of perjury under the laws of the State of California that I am the Chief Executive Officer of All 3 IT, Inc., that I have read the foregoing Attachment A, and that the statements contained therein are true and correct to the best of my knowledge and belief.

Executed on September 18, 2026, at Irvine, California.
