Subject: A.25-05-009 (PG&E GRC) Email Ruling Scheduling Remaining Update Phase Events

Parties to proceeding A.25-05-009:

On September 15, 2026, Pacific Gas & Electric Company (PG&E) provided a second status report addressing the unopposed request for an update phase of this proceeding. The second status report provided the following information:

- Intervening parties have completed their review of PG&E's testimony and PG&E's discovery;
- No parties, including Cal Advocates and the Utility Reform Network (TURN), indicated that they will be serving testimony; and
- In lieu of hearings, Cal Advocates requests (and PG&E agrees) to having update-phase data request responses from PG&E be made part of the record.

On September 18, 2026, PG&E provided a third status report that reported the following:

- The parties have met and conferred and determined that evidentiary hearings on the update phase will not be required;
- In lieu of evidentiary hearings, the parties propose submitting a joint motion requesting the admission of the parties' update phase exhibits into the evidentiary record; and
- Based on the foregoing, the parties proposed a schedule for the update phase;

Good cause appearing, the parties' request is granted. Update Phase Opening Briefs are due by October 7, 2026, and Update Phase Reply Briefs are due by October 28, 2026.

IT IS SO RULED.

The Docket Office shall formally file this ruling.
