Subject: [EXTERNAL] R. 26-04-009, Procedural Request for Change to Track 3 (AB2109) Schedule

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Classification: Public

To the Honorable Administrative Law Judge Perez-Green,
Pacific Gas and Electric Company, on behalf of itself, Southern California Edison Company, and San Diego Gas & Electric Company (collectively the Joint IOUs) respectfully requests an extension of certain Track 3 dates established in the *Assigned Commissioner's Scoping Memo and Ruling* (Scoping Memo) issued on September 23, 2026, and also identified in the *Administrative Law Judge's Ruling Directing Joint Investor Owned Utilities Proposal on Assembly Bill 2109 Requirements*, dated September 3, 2026 (Ruling).

The Joint IOUs propose a modest extension to the Joint IOU Proposal date due to the coordination efforts required to develop and prepare a Joint Proposal compliant with the Ruling's requirements. The schedule proposal below seeks an 11-day extension for the Joint IOU Proposal, relative to the schedule in the Ruling. The proposal also provides parties with two additional business days for opening comments and reply comments, as compared to the schedule that was set forth in the Ruling.

Event	9/3 Ruling	9/22 Scoping Memo	Proposed Deadline
-------	------------	-------------------	-------------------

Joint IOU Proposal	October 19, 2026	Q3 2026	October 30, 2026
Opening Comments	November 18, 2026	45 days after the joint IOU proposal	December 7, 2026
Reply Comments	December 3, 2026	20 days after opening comments	December 22, 2026

Pursuant to Rule 11.6, PG&E asked the party representatives in this proceeding for feedback on the proposed schedule, both before and after the issuance of the Scoping Memo. PG&E received the following responses:

- CLECA supported the proposed extension.
- CalAdvocates and CalCCA each communicated that they do not oppose the proposed deadlines.
- The City of San Diego, EDF, and WildTree Foundation each communicated no objection.
- C4AT took no position.

No party opposed the proposed schedule.

The Joint IOUs appreciate Your Honor's consideration of this request. This email is being served to all party representatives and information only- individuals on the current service list for Rulemaking 26-04-009.

Best,
Maria Wilson
