Subject: A.26-03-003/26-04-017 E-Mail Ruling Modifying the Procedural Schedule

To All Interested Parties:

As a result of unintentional delays in correctly serving intervenor testimony on the issues raised in Application (A) 26-04-017 (part of the consolidated scope for the proceeding) Cal Advocates was allowed to reserve testimony and Southern California Edison was allowed an extension to serve its rebuttal testimony. An e-mail Ruling was served on Sunday, October 4, 2026. Additionally, a status conference was convened on Tuesday, October 6, 2026, to allow the Presiding Officer to discuss impacts on the remaining schedule with counsel for both parties.

After discussing the impacts on the schedule I am making the following changes to the schedule for the proceeding:

1. The Status Conference originally scheduled for Wednesday, October 14, 2025, is rescheduled to Thursday, October 22, 2026, at 10:30 a.m.

2. The evidentiary hearings originally scheduled for September 19 through September 23, 2026, are removed from the schedule and calendar.
3. Parties will address whether to reschedule an evidentiary hearing at the October 22nd status conference. Parties will also address whether a mediation neutral would be helpful in resolving the proceeding.
4. The remainder of the schedule remains unchanged at this time, i.e.:
 - a. Concurrent Opening Briefs will be due November 23, 2026;
 - b. Reply Briefs will be due on December 14, 2026; and
 - c. A Comparison Exhibit and submission of the record will be due on December 21, 2026.

We still expect a proposed decision within 90-days of submission. The Docket Office shall file this Ruling in the consolidated record for A.26-03-003.

It is Ruled That:

1. A Status Conference is scheduled on Thursday, October 22, 2026, at 10:30 a.m.
2. Evidentiary Hearings beginning September 19, 2026, are removed from the schedule and the Commission's Hearing Calendar.
3. The remaining schedule includes:
 - a. Concurrent Opening Briefs due November 23, 2026;
 - b. Reply Briefs due on December 14, 2026; and
 - c. A Comparison Exhibit and submission of the record due on December 21, 2026.
