Subject: A.26-05-006 Email Ruling: Addressing Trigger Application

To the Service List for Application (A). 26-05-006:

This e-mail ruling takes notice of A.26-09-019, the expedited application of Southern California Electric Company (SCE) to address overcollection in its Energy Resource Recovery Account (ERRA). SCE proposes resolving A.26-09-019 under a similar timeline as the schedule set in A.26-05-006.

Given the similar timing and the overlapping issues in A.26-05-006 and A.26-09-019, SCE is directed to incorporate all analysis related to A.26-09-019 in its October Update in A.26-05-006. In addition, parties are directed to address any matters from A.26-09-019 in comments and/or briefs for A.26-05-006.

The Commission will also hold an in-person prehearing conference in A.26-09-019 on October 19, 2026, at 9:30 am to address procedural matters, including whether the two proceedings should be consolidated.

IT IS SO RULED.

Docket Office shall formally file this ruling
