Subject: Email Ruling A2605007 PG&E 2027 ERRR vacating hearing October 2,
2026

To all parties in Application of Pacific Gas and Electric Company for Adoption of Electric Revenue Requirements and Rates Associated with its 2027 Energy Resource Recovery Account (ERRA) and Generation Non-Bypassable Charges Forecast and Greenhouse Gas Forecast Revenue Return and Reconciliation (U 39 E), Application 26-05-007

One party to this proceeding, California Community Choice Association (CalCCA) requested a hearing in this proceeding on September 24, 2026, a date for which the scoping memo

had reserved if necessary for October 2, 2026. CalCCA's request for hearing stated that certain data request responses pending from Pacific Gas and Electric Company (PG&E) might eliminate the need for a hearing. A ruling dated September 22, 2026 set one day of hearings for October 2, 2026 in case a hearing was requested and deemed necessary.

On September 25, 2026, the Administrative Law Judge shortened time for parties to respond to CalCCA's hearing request, with responses due September 29, 2026 at 12:00 noon. PG&E filed a response and indicated that CalCCA's representative had stated to PG&E that CalCCA no longer required a hearing because the data request responses PG&E served eliminated the need for hearing. In a September 30, 2026 filing CalCCA confirmed PG&E's representation and stated it withdrew its request for hearing. No other party requested a hearing.

Therefore, good cause appearing, the hearing date tentatively set for October 2, 2026 is vacated. Because of CalCCA's withdrawal of its September 30, 2026 request for hearing, September 24, 2026 request for hearing is moot and is therefore denied.

IT IS SO RULED.

Docket Office shall file this ruling.
