Subject: Email Ruling: Modifying PHC for A.26-09-019 (SCE ERRa Trigger Application)

To the Service List for Application (A.) 26-09-019:

This email ruling modifies the prehearing conference (PHC) set on October 19, 2026. The start time is changed to 10:00 am and the venue is moved to the WebEx virtual platform. Additionally, the joint PHC statement is now due at noon (12:00 pm) on October 16, 2026, which shall now include a speakers list.

On October 2, 2026, the Assigned Commissioner Ruling on Expedited Schedule Notice of Prehearing Conference and Preliminary Categorization was issued. That ruling set an in-person PHC for October 19, 2026, at 9:30 am in San Francisco. On October 7, 2026, SCE sent a procedural email to the service list of this proceeding (A.26-09-019) and A.26-05-006, asking to move the in-person PHC to a remote PHC. SCE's email is included below.

This email ruling modifies the October 19, 2026, PHC as follows:

- Start Time: 10:00 am
- Venue: WebEx
 - Link:
<https://cpuc.webex.com/cpuc/j.php?MTID=mf191c65386355d25ddc18b49e2d98c4d>

 - Webinar Number/ Access Code: 2484 949 1387
 - Join by Phone:
 - Toll Free: 1-855-282-6330
 - Local: 1-415-655-0002

The joint PHC statement, due October 16, 2026, is now due at noon (12:00 pm) and it shall now include a speakers list with the following information:

- The name, phone number, and email address of individuals intending to speak at the PHC for each party.
 - In the case of multiple representatives for the same party, indicate who is designated as the primary party representative.

Except for the PHC start time (10:00 am) and venue (WebEx), as well as the time to file and serve the joint PHC statement (October 16, 2026, at 12:00 pm) with a speakers list, all other instructions provided in the Commissioner's October 2, 2026, ruling are unchanged.

IT IS SO RULED.

Docket Office shall formally file this ruling

Subject: [EXTERNAL] A.26-09-019 2026 ERRR Trigger Application: Procedural
Email Requesting Remote Prehearing Conference

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

To: ALJ Brandon Gerstle, and All Parties in the Official Service Lists for A.26-09-019 and A.26-05-006:

Dear Honorable Judge Gerstle:

This procedural email is submitted by Southern California Edison Company (SCE) regarding Application (A.) 26-09-019. The *Assigned Commissioner's Ruling on Expedited Schedule Notice of Prehearing Conference and Preliminary Categorization*, dated October 2, 2026 (Ruling), set a prehearing conference (PHC) for Monday, October 19, 2026, at 9:30 am, to take place in person at the California Public Utilities Commission's (Commission) San Francisco Headquarters, [505 Van Ness Avenue](#), Hearing Room D, San Francisco. SCE respectfully requests that the PHC be rescheduled as a remote conference to be conducted over Webex. SCE conferred with the Public Advocates Office at the Commission (Cal Advocates), California Community Choice Association (CalCCA), and the Direct Access Customer Coalition (DACC) (the Parties) and the Parties support this request. SCE and the Parties submit that a remote PHC will be more efficient and cost-effective as it will save the cost and time of SCE and potentially other party

participants to San Francisco for a conference that is procedural in nature and may be brief. Where feasible, SCE strives to minimize travel and accommodation costs out of consideration for customer affordability. SCE and the Parties also note that, since the pandemic, most hearings and PHCs at the Commission are conducted remotely and the Commission's use of its Webex technology has been effective and efficient. Given the number of parties to this proceeding, the geographic spread of those parties across the state, the procedural nature of the PHC, and the feasibility of a remote conference, SCE and the Parties believe a remote PHC would be appropriate in this case.

If the request for a remote PHC is not granted, SCE respectfully requests the PHC be moved to later in the morning or early afternoon to avoid the additional cost of an overnight accommodation that may be necessary for certain parties for a start time before 10 a.m. Cal Advocates and DACC support this request. CalCCA supports this request as long as the new start time would be no later than 1 p.m.

This communication is being concurrently served on all parties to the service list of A.26-05-006 (*Application of Southern California Edison Company (U 338-E) for Approval of Its 2027 ERRRA Forecast Proceeding Revenue Requirement*).

Thank you for your consideration.

Respectfully,

Ashley Moorhead (she/her/hers)

Senior Attorney
